business manners in and out of the boardroom are stressed here with practical etiquette advice on e mail faxes international travel pagers and cellular phones as well as the latest dope on how to properly shake hands address a new business acquaintance and talk on the phone original

all manner of prayer teaches you how to declare war against the wiles of the devil the major reason some believers live mediocre lives is that their spiritual eyes are covered by satan is it not in the book of hosea that the bible says my people perish for lack of knowledge no wonder that in the first chapter of the book of ephesians paul made a very crucial statement which was more of a prayer than advice that god should give us the spirit of wisdom and revelation in the knowledge of him he went further to pray that our eyes of understanding may be enlightened why because so long as the cloak of darkness hovering over you is not unveiled the truth or rather mysteries embedded in the word of god would not be of use to you the spiritual eyes that are covered cannot appreciate the fact that satan has a network of coordinated and highly disciplined disciples who are empowered to wage deadly attacks on believers and the promises of god for them the intent is to either delay or if they can completely abort those wonderful promises from god believing that satan does not exist or that satan is powerless is the greatest deceit of all times it s also a sign that you like many others are still operating in the dark this book teaches you how to pray the deliverance kind of prayer and remove the veil and the shackles satan has put upon your spiritual eyes preparing you therefore to enter the realm of the supernatural with the authority of god to disarm principalities and powers that are lording over your blessings it is a no nonsense no apologies power packed piece of warfare material intended to inflict maximum damage on the enemies sitting on your glory

in this book we will study about higher level accommodation and front office procedures it includes auditing team supervision and service excellence

neuroscience is revolutionising coaching it helps us understand the biological basis of our behaviour this includes the behaviour of the coach and the client this practical and much needed book explains basic brain functioning and offers a guide to using this knowledge to advance our coaching and make our practice more effective it builds extensively on the fact that we do now know that feelings underly all decision making and focuses coaching on helping clients establish intelligent emotions as the basis of their own decision systems using a systemic model of emotions energy and change paul brown and virginia brown show coaches how to

integrate the client's life experience into coaching and create change this is a must read for all practising coaches this book is scattered with insightful thought provoking and occasionally beautiful analogies and metaphors which any reader would be hard pressed not to be challenged by the unrelated browns absolutely illustrate the importance for coaches of having an understanding of how the brain works coaching at work march 2013 the ou coaching series always provides a reliable read for the coach and this is no exception the authors have kept the neuroscience refreshingly simple choosing to focus on key evidence based principles of relevance to coaching the international journal of mentoring and coaching volume x issue 2 december 2012 this book is a delicious feast of neuroscience bravo nancy kline president time to think uk it's rare to find an accessible engaging book that combines current neuropsychological theory with working examples for executive coaching at last here is one that brings the two together seamlessly linda aspey managing director coaching for leaders at last a book that embeds the practice of coaching into what we know of how the brain works rather than one that tells you about the brain then leaves the coach to work it out or one that tells you about techniques then adds in the brain information as something of a p s ann james executive coach director thinking space at long last a rigorous book on neuropsychology that is both palatable and practically applicable for executive coaches dr tara swart neuroscientist medical doctor and executive coach executive performance ltd introducing the basic functioning of the brain this book shows that humanity and high performance are indeed fraternal twins a most useful guide anette prehn ma in social science brain based executive coach pcc author of play your brain in a world of psuedo theory and airport quick reads professor paul brown and virginia brown offer something most refreshing hard science married with the intimate relationship between coach and executive dr christina l afferty national defense university washington d c usa paul and virginia brown have done a great job in reviewing a lot of the burgeoning research and literature on neuropsychology and making it accessible and useable by executive coaches in their work peter hawkins professor of leadership at henley business school founder and chairman emeritus of bath consultancy group co founder of centre for supervision and team development uk

understanding behaviour in the early years provides information practical suggestions and ideas that enable practitioners to take a positive approach to young children's learning about behaviour linked directly to the revised eys this title includes practical suggestions based on sound theory and effective practice this guide highlights the importance of working in partnership with parents to understand and support children's behavioural learning and aims to increase practitioners confidence in supporting children's learning about behaviour includes chapters on early intervention in the context of supporting behavioural learning theoretical perspectives on behavioural learning thinking about social learning thinking about emotional learning thinking about behavioural learning and using observation and analysis to develop effective strategies

born during world war ii marilee eaves has long struggled to fit into the new orleans elite secret mardi gras societies that ruled the city into which she was born then as a student at wellesley she s hospitalized at mclean psychiatric hospital where she begins to realize how much of herself she s sacrificed to blend into and be fully accepted by the exclusive and exclusionary white uptown new orleans culture to which she supposedly belongs in singing out loud eaves tells of her journey to stand on her own two feet to find a way to be grounded and evolved in the midst of that culture along the way she wrestles with bipolar disorder alcoholism and the effects of her bad heartbreaking and sometimes hilarious choices raw and funny this book offers hope and encouragement to those willing to be vulnerable address their issues and laugh at themself in order to embrace who they truly are
