beyond death and jail anti blackness black masculinity and the demonic imagination calls for a complete reassessment and overhaul of ethical political and religious thinking with respect to anti blackness and black masculinity in the united states in light of the prison industrial complex and a decade of homicide 2012 2022 of black men and black boys which spawned the movement for black lives ronald b neal calls attention to a crisis of imagination on the part of elite social activists and intellectuals neal questions more than four decades of academic theory concerned with justice which has and continues to inform the most popular expressions of black american activism readers are asked to grapple with the dilemmas which plague black men and black boys as a starting point for a reinvigorated imagination including new theories of justice and new paradigms of action neal contends that we can do better in those efforts that seek to engage and overcome anti blackness in the united states

this is the story of a group of ordinary young people who matriculated on the campus a typical

historically black college that is situated in the heart of an average poverty stricken neighborhood these youngsters hail from the urban core of several american cities where crime drugs and violence is common however the accomplishments of these students would be uncommon above average and extraordinary they united to achieve success socially financially spiritually on an astonishing level there are many life lessons humorous anecdotes entertaining episodes and shameful acts in this version of accounts that took place in the late 1980 s and early 1990 s the authors hope that the reader would draw the following message from the time invested in combing through the pages of this book the youth then and now are capable of accomplishing greatness when they focus their energy and collectively strive toward a common interest there have been many stories embellished in barbershop books written and fictionalized movies and videos documenting the escapades of delinquent youth brought up in urban areas across america the intent of this work is not intended to glamorize the dope game or to write another inner city drug kingpin saga the market is already saturated with that story instead the siege endeavors to address the unique situations challenges and opportunities that young adults face when leaving their home town to attend college more specifically attending a historically black college or university in the southern united states however mentioning the students involvement with drugs violence poverty gun play self preservation greed death and incarceration is unavoidable the story cannot be properly conveyed without incorporating these issues that plague african american communities across the nation and abroad so prepare yourself to be exposed to an unadulterated excerpt of what a group of ordinary young people experienced in becoming men the authors hope and pray that you enjoy the interpretation of these events that are based on truth

reality first appeared in the late 1980s in the sense not of real life but rather of the tv entertainment genre inaugurated by shows such as cops and america s most wanted the daytime gabfests of gerald opra and donahue and the tabloid news of a current affair in a bracing work of cultural criticism eric harvey argues that reality tv emerged in dialog with another kind of entertainment that served as its foil while borrowing its techniques gangsta rap or as legendary performers ice cube and ice t called it reality rap reality rap and reality tv were components of a cultural revolution that redefined popular entertainment as a truth telling medium reality entertainment borrowed journalistic tropes but was undiluted by the caveats and context that journalism demanded while n w a s fuck tha police countered cops vision of black lives in america the reality rappers who emerged in that group s wake such as snoop dogg and tupac shakur embraced reality s visceral tabloid sensationalism using the media s obsession with black criminality to collapse the distinction between image and truth reality tv and reality rap nurtured the world we live in now where politics and basic facts don t feel real until they have been translated into mass mediated entertainment

ezra is the boss of all bosses and when lil shad calls him with an emergency he will boss up in a major way of course he can t go back to dallas without running into star with emerald by his side star quickly learns her place or so you would think star becomes the least of his worries when he learns that his

name was mentioned around unfamiliar company an unforgiveable violation causing ezra to transform into juice and handle things like a boss emerald and ezra s relationship is like a match made in heaven ezra is everything that emerald imagined he would be and more even with that being the case emerald is holding on to a secret that could change their lives forever going back to cali for hollywood s graduation is not something that emerald is looking forward to especially since she still hasn t spoken to him with ezra by her side she is comfortable but still walking on eggshells yes ezra is the bosses of all bosses but emerald reminds you why she is the low key boss taylin has a lot going on these days juggling two guys that want her she can t decide which one to choose when mckinley expresses his feelings for her it makes her think twice about ending their relationship but nosa he is the perfect guy taylin is stuck between a rock and a hard place trying to decide who she will ultimately give her love to after her run in with mckinley and kaneshia it becomes easier to abandon her feelings for mckinley and give things with nosa a chance but a pop up visit to new york could change everything hollywood is slowly turning into a young man yet staying true to his real self his friendship with lexi has remained constant but everything changes in the blink of an eye he has never known what love feels like so he isn t sure if that s what he feels for her or not though his mind isn t sure his actions show it but seeing stormy could either unravel or tighten his bond with lexi hollywood isn t the only one with a love triangle going one of his ladies has a triangle of her own in the final installment of infatuated by a low key boss half truths will be told secrets will be revealed and gunshots will ring out when the smoke clears bodies will be on the ground but whose h town is where it all began so that is where it will end
