this book uncovers how music experience live and recorded is changing along with the use of digital technology in the 2000s focussing on the nordic region this volume utilizes the theory of mentalization the capacity to perceive and interpret what others are thinking and feeling and applies it to the analysis of mediated forms of agency in popular music the rise of new media in music production has enabled sound recording and processing to occur more rapidly and in more places including the live concert stage digital technology has also introduced new distribution and consumption technologies that allow record listening to be more closely linked to the live music experience the use of digital technology has therefore facilitated an expanding range of activities and experiences with music here yngvar kjús addresses a topic that has a truly global reach that is of interest to scholars of musicology media studies and technology studies

media ventriloquism offers a new take on the many forms ventriloquism takes in 21st century media from skype to video games and the ways in which marginalized groups have used the act of separating the body from the voice to claim their agency and

power

lance bass who literally grew up as part of one of the biggest bands in the world tells all about his life his music and his sexuality in this candid compelling autobiography at sixteen lance bass received a phone call from justin timberlake that would change his life forever soon after he left his small town home in clinton mississippi to join an emerging musical group called nsync two years later nsync was inspiring beatles esque mania around the world becoming the face of the new mtv generation and earning the all time record for most album sales in a single day more than one million and in a single week for no strings attached he s remained in the spotlight ever since and here he talks in depth for the first time about his childhood his astonishing experiences as a young man and christian growing up in one of the biggest bands in the world his shock and frustration at the band s eventual dissolution and his subsequent career including his four months in russia training to become a cosmonaut he also frankly discusses life as a gay man his first same sex relationship at twenty one his struggle to keep his sexuality hidden from nsync s fans in case it jeopardized the band s success and the true circumstances that led to his decision to publicly come out at the age of twenty seven full of fascinating behind the scenes lore and revealing insights from a pop star who until now has been notoriously private out of sync is the book that millions of fans have been waiting for

the five guys of n sync met by chance in orlando florida through the new mickey mouse club a remake of the 1950 s children s tv show this new n sync biography gives the story behind this successful band full color photos and the personal histories of joey lance justin chris and jc

2022 mom s choice gold award winner the groundbreaking book that explains sensory processing difference spd and presents a drug free approach that offers hope for parents now revised and updated does your child exhibit over responsivity or under responsivity to touch or movement a child with spd may be a sensory avoider withdrawing from touch refusing to wear certain clothing avoiding active games or he may be a sensory disregarder needing a jump start to get moving over responsivity or under responsivity to sounds sights taste or smell she may cover her ears or eyes be a picky eater or seem oblivious to sensory cues cravings for sensation the sensory craver never gets enough of certain sensations e g messy play spicy food noisy action and perpetual movement poor sensory discrimination she may not sense the difference between objects or experiences unaware of what she s holding unless she looks and unable to sense when she s falling or how to catch herself unusually high or low activity level the child may be constantly on the go wearing out everyone around him or move slowly and tire easily showing little interest in the world problems with posture or motor coordination he may slouch move awkwardly seem careless or accident prone these

are often the first clues to sensory processing difference a common but frequently misdiagnosed problem in which the central nervous system misinterprets messages from the senses the out of sync child offers comprehensive clear information for parents and professionals and a drug free treatment approach for children this revised edition includes expanded information about spd look alikes including learning disabilities adhd and autism about diagnosis and treatments and about other topics

how can our societies be stabilized in a crisis why can we enjoy and understand shakespeare why are fruitflies uniform how do omnivorous eating habits aid our survival what makes the mona lisa s smile beautiful how do women keep our social structures intact could there possibly be a single answer to all these questions this book shows that the statement weak links stabilize complex systems provides the key to understanding each of these intriguing puzzles and many others too the author recipient of several distinguished science communication prizes uses weak low affinity low probability interactions as a thread to introduce a vast variety of networks from proteins to economics and ecosystems many people from nobel laureates to high school students have helped to make the book understandable to all interested readers this unique book and the ideas it develops will have a significant impact on many seemingly diverse fields of study
