argues that significant barriers to family making exist for lesbian mothers of color in the united states one might be tempted in the afterglow of *Obergefell v. Hodges* to believe that the battle has been won that gays and lesbians fought a tough fight and finally achieved equality in the united states through access to legal marriage but that narrative tells only one version of a very complex story about family and citizenship *Queering Family Trees* explores the lived experience of queer mothers in the united states drawing on over one hundred interviews with african american latina native american white and asian american lesbian mothers living in a range of socioeconomic circumstances to show how they have navigated family making while the legalization of same sex marriage and adoption in 2015 has provided avenues toward equality for some couples structural and economic barriers have meant that others especially

queer women of color who often have fewer financial resources have not been able to access seemingly available choices such as second parent adoptions powers of attorney and wills sandra patton imani here argues that the virtual exclusion of lesbians of color from public narratives about lgbtq families is crucial to maintaining the narrative that legal marriage for same sex couples provides access to full equality as citizens through the lens of reproductive justice patton imani argues that the federal legalization of same sex marriage reinforces existing structures of inequality grounded in race gender sexuality and class queering family trees explores the lives of a critically erased segment of the queer population demonstrating that the seemingly color blind solutions offered by marriage equality do not rectify such inequalities

crossroads turning point impulse inspiration instinct influence call it what you will each and every one of us have made crucial decisions and if we're lucky have been helped with the right words at the right time over 50 of our most talented and courageous figures from jk rowling to david beckham have come together to give the stories behind their defining moments from mentors to mothers impulses to instincts these moving honest stories will inspire you to take a fresh look at your own direction

in the climax of this novel we are expected to believe that a forceful cultivated fearless woman adrienne toner will sacrifice happiness with a man who loves her because she still loves she sees it as her duty her husband who has left her and run off with another woman it's very noble perhaps but also not very believable even for 1922 when the book was published adrienne is an explosive force to her in laws the upper crust chadwicks not only does she steal barney chadwick away from nancy whom everyone expected him to marry but she supports barney's brother palgrave in his decision to become a conscientious objector and helps barney's sister meg run off with a married man openly rather than keep their affair hidden no wonder the chadwick's are down on her [bomoz at amazon.com](#)

taylor armstrong star of the real housewives of beverly hills on bravo pulls back the curtain on the years she suffered in silence through domestic violence in this searingly honest account of her troubled marriage to the late russell armstrong the terrible truth is that i felt lost without the control that russell had imposed on me for the nearly six years that we were married disturbingly i missed that control i didn't know what to do once i had no one there to tell me how to dress act and behave what to want and who even to be in some ways i missed the abuse i missed the pain i missed being scared not because i liked feeling any of that but because it was the life i had become accustomed to and without anyone to be afraid of to apologize to and to cover for i felt completely lost reality hit taylor armstrong hard one tragic

evening last august when she found the body of her estranged husband russell hanging in his california home fans across the country were shocked at the horrific news of his death and even more shocked to discover that behind the glittering reality of taylor s life on the real housewives of beverly hills lurked a painful story of emotional and physical abuse that she had been terrified to tell to the outside world the armstrongs lived like royalty throwing lavish parties including a memorable tea party for their daughter s fourth birthday and mingling with their privileged housewives co stars it was impossible to hide the cracks in their marriage from the cameras forever though and their darkest secrets slowly began to seep through the gilded fa-ade with searing honesty taylor candidly examines her difficult journey from the abusive home in which she was born to the low self esteem that kept her constantly on the run from herself to the tumultuous marriage that ended in suicide and ultimately to her realization that only by sharing her moving story could she help other women

the final part of banffy trilogy reflects the rapidly disintegrating course of events in central europe

an award winning reporter for the washington post tracy thompson was thirty four when she was hospitalized and put on suicide watch during a major depressive episode this event the culmination of more than twenty years of silent suffering became the point of departure for an in depth groundbreaking book on depression and her struggle with the disease the beast shattered stereotypes and inspired countless readers to confront their own battles with mental illness having written that book and having found the security of a happy marriage thompson assumed that she had learned to manage her illness but when she took on one of the most emotionally demanding jobs of all being a mother depression returned with fresh vengeance very quickly thompson realized that virtually everything she had learned up to then about dealing with depression was now either inadequate or useless in fact maternal depression was a different beast altogether she tackled her problem head on meticulously investigating the latest scientific research and collecting the stories of nearly 400 mothers with depression what she found was startling a problem more widespread than she or any other mother struggling alone with this affliction could have imagined women make up nearly 12 million of the 19 million americans affected by depression every year experiencing episodes at nearly twice the rate that men do women suffer most frequently between the ages of twenty five and forty four not coincidentally the primary childbearing years the ghost in the house the result of thompson s extensive studies is the first book to address maternal depression as a lifelong illness that can have profound ramifications for mother and child a striking blend of memoir and journalism here is an invaluable resource for the millions of women who are white

knuckling their way through what should be the most satisfying years of their lives thompson offers her readers a concise summary of the cutting edge research in this field deftly written prose and above all hope

the term human strike was forged to name a revolt against what is reactionary even and above all inside the revolt it defines a type of strike that involves the whole of life and not only its professional side that acknowledges exploitation in all the domains and not only at work the human strike is a movement that could potentially contaminate anyone and that attacks the foundations of life in common its subject isn't the proletarian or the factory worker but the whatever singularity that everyone is this movement isn't there to reveal the exceptionality or the superiority of one group or another but to unmask the whateverness of everybody as the open secret that social classes hide founded in 2004 the paris based collective artist claire fontaine declares a position as a readymade artist having assumed the name of a popular french brand of notebooks her practice centers on the production of works in neon video sculpture painting and text her neo conceptual art targets the exchangeability and disintegration of notions of authorship her position stems from the awareness of the shared condition of political impotence and the crisis of singularity within contemporary society today
