i come from a place where if you re not from around there you might not understand it i see police on almost every block stopping and frisking harassing hardworking citizens etc and in the midst of all this there is still a high rate of drugs and violent crime to see the raw realities of life in certain poverty stricken or low wage communities is depressing to say the least i decided to paint a vivid picture through rhyme of what i see and experience on an everyday basis millions of people in and out the ghetto can relate to these stories even if they don t reside there because they know someone who is going through some sort of trouble the truth is ugly it hurts it breaks you down but it s real and it wakes you up to the facts of life living in the ghetto
