a compellingly candid memoir that details jackson s life in seclusion by the bodyguards who were with him in his final days with a new introduction to commemorate the tenth anniversary of michael jackson s death hounded by the tabloid media driven from his self made sanctuary neverland michael jackson spent his final years moving from city to city living with his three children in virtual seclusion a futile attempt to escape a world that wouldn t leave him alone during that time two men served as the singer s personal security team bill whitfield a former cop and veteran of the security profession and javon beard a brash untested rookie both single fathers themselves stationed at his side nearly 24 7 their job was to see and hear everything that transpired and to keep everyone else out making them the only two men who know what 60 million fans around the world still want to know what really happened to the king of pop driven by a desire to show the world who michael jackson truly was whitfield and beard have produced the only definitive first person account of michael jackson s last years the extreme measures necessary to protect jackson and his family the financial struggles that led their pay to be suspended for weeks at a time the simple moments of happiness they managed to share in a time of great stress the special relationship jackson shared with his fans and the tragic events that culminated in the singer s ill fated comeback this is it the truth is far more captivating than anything you ve yet heard an indispensable piece of pop culture history remember the time is the story of a man struggling to live a normal life under extraordinary circumstances of a father fighting to protect and provide for his children remember the time is the book that dismantles the tabloid myths once and for all to give michael jackson back his humanity

taking as its starting point the significant role of the photograph in modern mourning practices particularly those surrounding public figures dead matter theorizes the connections between the body and the image by looking at the corpse as a special instance of a body that is simultaneously thing and representation arguing that the evolving cultural understanding of photographic realism structures our relationship to the corpse the book outlines a new politics of representation in which some bodies are more visible and vulnerable in death than others to begin interpreting the corpse as a representational object referring to the deceased margaret schwartz examines the association between photography and embalming both as aesthetics and as mourning practices she introduces the concept of photographic indexicality using it as a metric for comprehending the relationship between the body of a dead leader including abraham lincoln vladimir lenin and eva perón and the body politic for which it stands she considers bodies known as victims of atrocity like emmett till and the syrian boy hamsa al khateeb to better grasp the ways in which the corpse as object may be called on to signify a marginalized body politic at the expense of the social identity of the deceased and she contemplates tabloid bodies such as princess diana s and michael jackson s asserting that these corpses must remain invisible in order to maintain the deceased as a source of textual and value production ultimately concluding that the evolving cultural understanding of photographic realism structures our relationship to the corpse dead matter outlines the new politics of representation in which death is exiled in favor of the late capitalist reality of bare life
