pain so deep but faith still strong did not start out as a book but from a poem that i
had written a little over fifteen years ago the poem is titled if only you knew this
poem was written out of pain depression loneliness and a lack of love from those
whom i loved the most i was known in my family what most people are known in
theirs the black sheep pain so deep but faith still strong was inspired to me by the
holy spirit on january 1 2013 when he said to me finish your book a book i never
even knew existed i went home on that day to look for my poem on my computer
when i found it and opened it up there were about eleven pages of an introduction
to my life eleven pages that i had never written or seen until that day i was blown
away i knew that there was no one but god who had written these pages while the
holy spirit was guiding me with this task of writing this book i realized that god was
not only healing me to birth and deliver the pain that i was holding on to for so
long but that he was using me to tell my story to help others birth and deliver their
pain as well and for them to know that they re not a mistake but a blessing from
god as i looked back over my life i realize that god kept his hands on me the whole
entire time through his grace and mercy saving me from death drugs depression
and prison
