many times in my adult life i have had what i would call an awake out of body experience during these times i was peeking in at my life in a dream state thinking this cannot be my life i found myself asking the questions of what happened to the child who outsmarted the world and what happened to the teen who had all the answers and confidence to boot and the young adult who never settled for can t well somewhere along the

way the only thing left of who i was once was were just shreds of an almost non existent life now don t get me wrong there were some good times along the way but it certainly was not always smooth sailing but what came later in life was no comparison to the early years not that long ago my life was filled with disappointment brokenness worry anxiety and fear i survived breakups and breakdowns sadness and pain grief and loss beyond description all of which led to a one way ticket to depression central getting off the road to depression was very difficult for me but there is no job too hard for god if you can relate to the paralyzing despair that i went through then please know that i fellowship with you and understand the grip depression and anxiety can have on your life however i want you to know that your destination does not have to be a one way ticket to the land of despair instead your journey can bring you to a place of joy and peace if you simply trust and believe in god
