there are certain catchwords that are more fascinating than the rest gamification is one such catchword this is not shocking as the roots are traced back to the world of games it is quite amusing that the term is vague for both beginners and intellects while beginners misinterpret gamification as playing games intellects brush it off as yet another deviation of a loyalty or rewards program but what is it actually those in the community of gaming theory and practice have categorized gamification as a term it is usually considered that it means employing gaming principles to non gaming situations it is a design process that reframes goals to be more attractive and attainable using the principles of game design the gamified solutions targets our usual instincts to seek competition and accomplishment using conventional gamification methods such as point gathering virtual currencies accomplishment budgets or levels with growing difficulty are used within game community this book does not suggest recipes for gamification since the best practices are still evolving instead it provides a list of compelling gamification success stories implemented in organizations from various industries enterprise gamification is still in its beginning stage there is much more to pursue and learn the overall objectives of this book are 1 to present the current state of games and use of gamification in various sectors and 2 to explore future opportunities and limitations of using gamification

the 2018 malaysian general election will stand as a major defining event in malaysian history when the ruling barisan nasional coalition unexpectedly lost power in the country they had ruled for over half a century this volume brings together scholars who assess one fundamental factor that brought about this game changing event in malaysian politics intra elite feuding in the leading malay based political parties this study provides an analysis of individual state

politics as well as national trends shaped by the actions of leaders in government and the opposition an indispensable guide for scholars studying the politics of malaysia and of southeast asia more broadly it will be of great interest for all readers with an interest in malaysian politics
