youth and the future what will become of today s young people in australia asia europe

latin america and north america will they be supportive of the world they live in or are they doomed to be criminal drop outs the authors investigate to which extent different and contradictory trends of social modernisation and economic progress determine the biographical development and social integration of young people in different countries and world regions thus the authors look at the role young people themselves can play in the future either as constructive social actors or as a problematic and partly excluded group unable to face the challenges of a permanently changing world
