what s beef to jay z well it s all here in this book we go in depth to every single beef jay z has had in career we cover nas tupac mobb deep 50 cent and people you probably didn t even know had beef with jay z did you know the history behind the ll cool j and jay z beef that s in here too do you remember jay z dissing former nba player stephon marbury that s in here too and why that all happened if jay z was in some kind of a beef even just a few short dissers at someone it s in this book a book like no other out there a detailed look at jay z and all of his enemies

new york times bestselling author eric jerome dickey presents a powerful novel about grifters and con artists brothers and sisters looking for love and making ends meet on the wrong side of the law dante black did his stretch of hard time in juvenile jail now he s out and down facing a mountain of unpaid bills a car on its last legs and imminent eviction he doesn t stand a chance with pam a sexy waitress actress on the hunt for a man with means enter scamz a slick brother from dante s past cruising l a in custom tailored suits and a benz cl600 he s got a job that ll put dante back on top especially with pam seduced by easy money she s finding dante suddenly irresistible but then the perfect sting goes horribly wrong and a dangerous game is just beginning

the relationship between musical activity and ethical significance occupies long traditions of thought and reflection both within christianity and beyond from concerns regarding music and the passions in early christian writings through to moral panics regarding rock music in the 20th century christians have often gravitated to the view that music can become morally weighted building a range of normative practices and prescriptions upon particular modes of ethical judgment but how should we think about ethics and christian musical activity in the contemporary world as studies of christian musicking have moved to incorporate the experiences agencies and relationships of congregations ethical questions have become implicit in new ways in a range of recent research how do communities negotiate questions of value in music how are processes of encounter with a variety of different others negotiated through musical activity what responsibilities arise within musical communities this volume seeks to expand this conversation divided into four sections the book covers the relationship of christian musicking to the body responsibilities and values identity and encounter and notions of the self the result is a wide ranging perspective on music as an ethical practice particularly as it relates to contemporary religious and spiritual communities this collection is an important milestone at the intersection of ethnomusicology musicology religious studies and theology it will be a vital reference for scholars and practitioners reflecting on the values and practices of worshipping communities in the contemporary world
