i started writing this collection of poems about a year ago today is the twenty second of december 2012 first i was interested in narrating the gospel in fiction somehow the truth is tied to every word from god so it came to the point of losing reasoning shakespeare was a poet and so was mozart the craft is the author s tools god allows him to inherit his fruits very often composure is gifted trees seldom grow twisted read with reasoning and don t forget understanding the gift of love is eternal love is turned on and is exposed through true light my prayer is that those who explore these poems learn to dissolve all the compounds and surround them the mystery of jesus is grace these are all found in this very human race

hermie learns the importance of offering forgiveness and discovers how incredible god s grace really is there is a lot of excitement in the garden as all the bugs prepare for the harvest festival hermie has promised to help wormie but then forgets luckily wormie is quick to forgive hermie but later when hermie is the one who is disappointed will he be able to forgive too god gently reminds hermie that god continues to forgive us when we make mistakes and it s important that we do the same for others the third title in the hermie friends level 2 reader series this book is perfect for beginning readers who need to build their confidence and still enjoy fun illustrations plus parents are pleased to know that the story reflects the concepts taught in jesus parable of the unforgiving servant matthew 18 and teaches young readers about god s grace and forgiving others

the online bible seminar was hosted on may of 2020 as on site services and conferences became difficult due to covid 19 with its surprisingly enthusiastic response sermons were translated in 26 different languages and being televised to possibly 1 billion viewers worldwide through 248 broadcasting stations in 94 countries the sermons from the eleven sessions totaling about 990 minutes and receiving countless comments is now a published book faith does not refer to a devotion of heart nor to give effort to accomplish something it refers to accepting the works which jesus did for us jesus was crucified on the cross and he has already washed away our sins unfortunately there are still many christians bound to sin saying lord i m a sinner please forgive me of this sin this book points to many scriptures in the bible which testify the truth that jesus has already taken care of our sins forever and it explains how we became

righteous forever using extensive and deep knowledge of the bible as the basis this book explains spiritual life in a precise manner causing people to automatically proclaim ah i truly understand within the pages of this book you will discover the vast and deep love of god towards you and the amazing grace god has bestowed upon everyone you will also come to discover just how blessed and glorious of a new creature god has made us readers will be filled with happiness as if they discovered the treasure in the field

the purpose of this book is to tell others to follow their dreams there is nothing one can t achieve if one sets one s mind to achieving and if one is focused and works hard toward it the universe is waiting for us to ask so that it can give to us ask and it shall be given you said the wisest sage that has ever lived matthew 7 7 niv as parents we all make mistakes and unwittingly hurt our children alienating them from us i can say with confidence that it does not have to remain so

god almighty is the creator of heaven and earth he has the sovereignty and has the supreme power above everything of what we see and the unseen the mighty and exalted one he is the alpha and the omega the first and last the beginning and the end in the old testament the one who says to moses i am who i am yahweh el shaddai in all creation of god the human is the most highly created by god because we were created by his own image and likeness god created humans for his glory therefore the main purpose for our life is to glorify god we can only glorify god through faith by believing in his words we should live by faith because the scriptures says without faith it is impossible to please god anyone who comes to him must believe that he exists and that he rewards those who earnestly seek him life in this world is going to be a roller coaster with many ups and downs but you should not be controlled by your circumstances god wants you to be stable be consistent and not be shaken by any adversity when facing difficulties when life seems to have no way out and has already come to a dead end and already hit the ground that s the time you have to activate your faith in god s promises the word of god is a strong tower his promises are true you must believe and trust in the power of his words always remember you have assurance of victory through his son jesus christ our lord and savior live by faith and live with peace knowing our god is the controller of everything glorify god in your life by living by faith in god s promises

emil brunner is best known as one of the greatest theologians of the twentieth century but i believe in the living god is a reminder that he was also an exceptional preacher with twelve sermons rooted in the apostles creed brunner shows how faith in jesus christ is inclusive of the facts to which the creed refers and what this means in our lives both individually and socially intended for the layman brunner recognises how remote the creed can feel and so interprets it in a way that accounts for the difference between first century minds and our own for him the apostles creed is a living proclamation of the christian faith and a powerful attestation to the reign of christ eloquently written and engagingly presented i believe in the living god inspires faith
