broad questions that will be explored through the examination of a wide range of textual material concern the nature and different forms of both spectacle and of the real along with reality realism and authenticity and especially the points of conjuncture between the two

as the environmental justice movement slowly builds momentum diane j purvis highlights the work of indigenous peoples in alaska s small rural villages who have faced incredible odds throughout history yet have built political clout fueled by vigorous common cause in defense of their homes and livelihood starting with the transition from russian to american occupation of alaska alaska natives have battled with oil and gas corporations fought against u s plans to explode thermonuclear bombs on the edge of native villages litigated against political plans to flood native homes sought recompense for the exxon valdez oil spill disaster and struggled against the federal government s fishing restrictions that altered native paths for subsistence in they came but could not conquer purvis presents twelve environmental

crises that occurred when isolated villages were threatened by a governmental monolith or big business in each native peoples rallied together to protect their land waters resources and a way of life against the bulldozer of unwanted often dangerous alterations labeled as progress in this gripping narrative purvis shares the inspiring stories of those who possessed little influence over big business and regulations yet were able to protect their traditional lands and waterways anyway

writing for michael snow is as much a form of art making as the broad range of visual art activities for which he is renowned including the walking woman series and the film wavelength conversely many of the texts included in this anthology are as significant visually as they are at the level of content they are meant to be looked at as well as read situated somewhere between a repository of contemporary thought by one of our leading canadian artists and a history book as it brings to light some important moments in the cultural life of canada since the 1950s these texts tell their own story marking the passage of time ideas and attitudes the works included here ranging from essays and interviews and record album cover notes to filmscripts and speeches which in snow s hands often fall into the category of performance art are not only built for browsing they offer insights into both the professional and the private snow together they expand the context of snow s work and show the evolution of a great canadian artist beginning with his early attempts at defining art to his emergence and recognition on the international art scene this book is one of four books that are part of the michael snow project initiated by the art gallery of ontario and the power plant gallery the project also includes four exhibitions of his visual art and music
