why do people buy anyway every businessperson sales professional advertising copywriter should be endlessly exploring this question sadly few do instead most stay stubbornly focused on the question of how can we make them buy our thing and sadly most training remains focused on selling we are all better served pondering the psychology of the buyer

rather than the techniques and tactics of selling that's what Robert Imbriale has done in motivational marketing this book is a valuable exercise in being about the customer from the foreword by bestselling author Dan S. Kennedy

use these habits in order to create a disciplined life become happier healthier and gain more freedom do you want to be more successful and productive do you want to have more free time being more self-disciplined will help you some people find it very easy to wake up at five am every morning rain or shine to go to the gym before they head off to work perfectly groomed at eight other people need a serious bribe to convince them to crawl out of bed so they can pull on some clothes and stumble into the office late again under the beady eye of a supervisor just do it stop procrastinating how to build discipline and use your momentum to keep you going how to start new habits the mentality of high achievers tools you can use productivity hacks techniques where to find motivation learn why you are the cure for your depression and panic attacks say goodbye to panic attacks and anxiety disorders forever by stopping to be so hard on yourself with step by step process it's time to heal your heart and reward yourself with the assistance of this book and start your journey on the road to success too much overthinking and expectation lead to disaster hindering your daily productivity embrace uncertainty and keep going ahead by reading this book you must need self-discipline in your life if you want to turn your vision into a reality so what are you waiting for get this book today

in order to get the best out of people in organisations managers need to address the fundamental principals of people management those of motivation ability and confidence building this proposed book aims to bring together clarity and understanding of these three main areas in one text with anecdotes and practical examples to enable managers to gain demonstrable improvements in organisational performance through their people the material will be underpinned with just enough theory to establish a rationale for practice while a highly practical text the aim is to meet many of the learning outcome requirements of the certificate in management and diploma in management people management empowerment modules

do you want to enter your workplace wearing the most optimistic smile that every other person envies do you want to pass your charismatic and contagious positive attitude on to your friends do you want to live life king size

do you feel your are being tramplet by everyone do people never apreciate what you do do you never do something for fear of being rejected yet once again are you allways doubting you abilities and feel you are worthless
