life is a cycle of death from one generation to the next from day one we all have equal opportunities in life as a young man who made some wrong choices at an early age and those choices will follow him all through the rest of his life while trying not to become a statistic of the hood but growing up in a society of poverty without a father can have a major effect on how your life turns out being raised around pimps drug dealers and wine os their habits are bound to rub off on you there are two roads in life the road to destruction and the road to success its totally up to you which one you will choose in life you have to play the hand you were dealt but you must play it to win sometimes things may not go as planned you must never mix business with pleasure and loyalty and trust are everything by know means ever should you let a woman come between you and your homies always stay true to yourself and know that snitches get stitches if you ever get to the point that the money makes you instead of you making the money game over written by frederick williams aka kwunt dedicated to letha williams

infant observation carried out within the family is a compelling approach to the study of early human development vividly revealing the impact of intergenerational patterns of child rearing and the complex relationship between nature and nurture it provides unique insights into the early origins of emotional disturbance and suggests ways in which healthy development can be promoted by both professional and parent often

resulting in changes to clinical practice developments in infant observation the tavistock model is a collection of twelve key papers from international contributors it offers an overview of current practice explores the new concepts that have arisen from direct observation and shows how the findings from observation are being applied in the research setting an essential text for child psychotherapists in training and practice this is a book that brings alive the academic theories of child development through thought provoking and stimulating case studies which will be of interest to any professional working with children

i got kids is a book of my inner thoughts and personal opinion along with experiences as being a father i wrote this in hopes to create a dialogue amongst young fathers in todays world i believe by reading this male and female will be able to see from a perspective that they may are may not have viewed i also hope that this provides comfort to others knowing that their not alone and i too have had a child at 16 years old and understand how hard life can appear to perceive to be
