the emergence of china as a great power is perhaps the most consequential development for the world in the 21st century yet what the western world sees in this development is largely through the prism of misinterpreted ideological dichotomy and misguided geopolitical rivalry this book offers a deep look at the chinese communist party and the nation it leads at conceptual historic and operational levels if thomas kuhn s concept of paradigm shift can be used in the social sciences then china would represent the most significant anomaly to the dominant liberal exemplar for students of china and of politics in general and for the western political and commercial elites if they were to read one book about china to grasp the nature and weight of the chinese phenomenon party life would be it

demonstrates the principles of transforming life into a party with hundreds of humorous tips and tricks for games party themes drink recipes party decoders and everyday life

kim jong il came to power after the death of his father kim il sung in 1994 contrary to expectations he has succeeded in maintaining enough political stability to remain in power kim jong il s leadership of north korea is an examination of how political power has been developed transmitted from father to son and now operates in north korea using a variety of original north korean sources as well as south korean materials jae cheon lim pieces together the ostensibly contradictory and inconsistent facts into a conceptual coherent framework this book considers kim and his leadership through an analytical framework composed of four main elements i kim as a leader of a totalitarian society ii as a politician iii as a korean and iv as an individual person this illuminating account of what constitutes power and how it is used makes an important contribution to the understanding of an opaque and difficult regime it will be of interest for upper level undergraduate postgraduates and academics interested in north korean politics and also those in political theory

includes section reviews and notices of books
