england 1337 edward iii is beset on all sides he needs a victory against the french to rescue his throne but he s outmanned king philip vi can put 50 000 men in the field but he is having his

own problems he has sent his priests to summon the angels themselves to fight for france but the angels refuse to fight and philip won't engage the battle without the backing of the angels as england and france head toward certain war edward yearns for god's favor but as a usurper can't help but worry what if god truly is on the side of the french edward could call on lucifer and open the gates of hell and take an unholy war to france for a price mark adler breathes fresh and imaginative life into the hundred years war in this sweeping historical epic

if war may be said to bring out the worst in governments it frequently brings out the best in people this is a novel about some of the very best some led some followed some died one of the finest novels yet written about the war in vietnam the washington post sergeant david grady leader of ranger team 22 the double deuce he was a perfectionist who loved his men his team and his army for a long time they had been his whole world sarah boyce cold beautiful for all her life she'd been her whole world she thought she knew it well then in vietnam she was overwhelmed by something that completely confused her people call it love major john colven commander sierra company 75th infantry airborne rangers promoted up from the ranks during the vietnam war he was the perfect copy of every man he lost cost him a piece of his soul lieutenant lebe son north vietnamese army regular he was also a perfectionist who loved his men his platoon and his people he would sacrifice everything to protect his country he might have to he's got a date with the double deuce charlie mike may be the greatest war to story to come out of vietnam there is something for everyone in leonard scott's novel there's violence and compassion gore and tenderness arrogance and humility friend and foe columbus ledger enquirer

a monthly magazine of practical nursing devoted to the improvement and development of the graduate nurse

winner 2019 ron tyler award for best illustrated book sponsored by the texas state historical association tsha in this expansive and vigorous survey of the houston art scene of the 1970s and 1980s author pete gershon describes the city's emergence as a locus for the arts fueled by a boom in oil prices and by the arrival of several catalyzing figures including museum director james harithas and sculptor james surls harithas was a fierce champion for texan artists during his tenure as the director of the contemporary arts museum houston cam he put texas artists on the map but his renegade style proved too confrontational for the museum's benefactors and after four years he wore out his welcome after harithas's departure from the cam the chainsaw wielding surls established the lawndale annex as a largely unsupervised outpost of the university of houston art department inside this dirty cavernous warehouse a new generation of houston artists discovered their identities and began to flourish both the cam and the lawndale annex set the scene for the emergence of small downtown artist run spaces including studio one the center for art and performance midtown arts center and diverseworks finally in 1985 the museum of fine arts presented fresh paint the houston school a nationally publicized survey of work by houston painters the exhibition capped an era of intensive artistic development and suggested that the city was about to be recognized along with new york and los angeles as a major center for art making activity drawing upon primary archival materials contemporary newspaper and magazine accounts and over sixty interviews with significant figures gershon presents a narrative that preserves and interweaves the stories and insights of those who transformed the houston art scene into the vibrant community that it is today

take a moment and imagine your history books devoid of war envision entire civilizations absent of heinous crimes against humanity a planet spared from the plagues of slavery cultural genocides and the colonization of indigenous nations by foreigners would you dare make the choices necessary to maintain this utopia in which universal peace existed could you ignore the devil whispering in your ear luring you away from a world in which loving your fellow man was the expectation not the exception in a state of reverie an impractical idea of world peace has given birth to a culture in which the human race has chosen to live free of violent criminals instead criminals have been systematically exiled to the lone prison city katingal constructed in a far corner of earth sentenced for the remainder of their natural lives the wicked pit themselves against their soulless brethren exposure disease and starvation claim their victims daily those who survive nature's wrath negotiate the perils of the prison city through murder and cannibalism all the while this inimitable death sentence satisfies civilization's aim to punish the world's irretrievable outcasts charles yäbäläy gravo is the criminal mastermind behind the world's largest human trafficking network as a prime most wanted fugitive he sets into motion events that will forever alter the realities of both civilization's utopia and katingal's hell

ten year old sadie meadows is reading in bed on new year's eve when she notices an unopened present beneath her window she finds it contains a book called the world from your bedroom there and back again but when she opens it up and begins to read she is disappointed to see it is nothing more than a travel book packed with pages detailing hundreds of places across the world she reads the first page then puts the book down just as sleep claims her at the instant that the new year arrives she awakes to find that instead of being in her bedroom at home in skipton somehow she has been transported to ireland the location that she had just read about in the book there follow a series of adventures each set in a different location as sadie finds herself travelling across the globe as she attempts to get back home again this month sees her continuing her journeys across the continent of africa

this essential reference volume the first in a five volume set describes a million photographs at the national museum of american history for curators researchers historians artists filmmakers and collectors see photography for other volumes in this series

no one had ever been so far in alternative history and even changed our own history into a parallel or rewritten history which would come and crush the first the true one in order to take its place for what reasons by what means this book which will remain a fiction as long as its last prediction is not completed clearly explains if you are an atheist you will be glad to learn that the religions of the book are the result of a huge manipulation of future whose aims have served a desperate cause thanks to a providential technical innovation this sacrilegious book takes place in a dimension which has been neglected for too long the time and deciphers an unimaginable truth on its way it demythologizes the flying objects from the past long before aircraft by identifying them not as extraterrestrial vehicles but as aircraft come from the future of the earth itself it is the end of an immense taboo which opens the way to a future permanently interacting with a past that we believed unique so far this book is a major progress in the dimension of time which links man to a future he has already lived

the first comprehensive study of the three progressive era presidents who stretched the limits of the early twentieth century presidency in order to meet the emerging public expectations explains the leadership differences between the three presidents and looks at the impact the progressive movement had on the office of the presidency
