how can it be how can salvation be gods gift of grace through faith and not by works yet there are tons of bible verses that connect eternal life directly to obedience and faithfulness it was a great aid to me to see how both are given and they do not conflict at all i have written several papers to show this and they have been helpful to a number of people so i

am enclosing these into a book form each paper shows in various ways how both the faith and obedience verses are valid and precious according to scripture very good i agree with everything in it i dont think we will ever fully know gods part and our part but this is the closest i have ever seen it is the best bridge i have seen i feel it is a unique and much needed contribution concerning paradox dr robertson mcquilkin president emeritus of columbia international university very thought provoking ive been aware of this paradox but having it presented like this highlights the grace works elements in our faith which must be confronted it also broadens ones appreciation for the word concerning paradox dave scovill missionary translator missions counselor administrator and writer
