from new york times and usa today bestselling author gemma halliday whose books have been downloaded over a million times comes a novel with the physiological thrill of gone girl and the suspenseful twists of big little lies she faked her death to escape life in a war torn country but now her enemies have tracked her down and this time they want her to stay dead anya danielovich lives with the guilt of what she had to do to survive when her native country divided against itself but that was a long time ago today she s become anna smith a single thirtysomething woman living in san francisco with a simple desire to lead a better life even if she is still haunted by her past the enemies she made the mentor she betrayed the woman she was she s taken care to cover her tracks over the years but she s beginning to feel like she s being watched nick dade is a hired gunman the best of the best he s read anya s file knows the unspeakable acts she committed and after weeks of surveillance he s ready to pull the trigger on his latest target that is until someone else beats him to the punch with his agenda shattered dade is suddenly thrown together with the woman he s been sent to eliminate who is she really who hired the second hit and who can he trust what critics are saying exciting first in a thriller series replete with hit men high speed chases and international crime publishers weekly starts with a bang and doesn t let up the action is gripping and the characters are compelling four stars rt book review halliday combines investigation with the inevitable romance for a mystery that s enjoyably by the book kirkus review note this is a second edition rerelease of a work previously title play nice

this is an exhaustive study of the major directors of horror films in the six decade period for each director there is a complete filmography including television work a career summary critical assessment and behind the scenes production information fifty directors are covered in depth but there is an additional section on the hopeless the obscure the promising and the up and coming

post christian religion in popular culture theology through exegesis analyzes several theological exegeses of contemporary popular culture as post christian scripture it includes analyses of the marvel cinematic universe the lion king and cloud atlas the television shows lucifer and shameless and contemporary pop punk and alternative music through an application of three hermeneutical methods re enchantment resourcement and rescription a prophetic and apocalyptic critique of modernity and an analysis of the late modern human condition andrew d thrasher argues how popular culture recites post christian religious and theological messages marked by a post disenchantment theology constituted by the consumption of these messages shapes and informs what the contemporary world finds believable credible and desirable in a post christian context

this story of a 1933 kidnapping gone terribly wrong recreates the lawlessness of the era and discusses how this case followed breathlessly by the media and a fascinated public became the first high profile success of a fledgling fbi 15 photos

about the book when dream qwest an electronics corporation with ties to the military industrial complex and in direct competition with the virtual reality gaming industry releases a new gaming concept whereby a gamer can go

anywhere in the world experience any adventure play any sport or create one's own scenarios between friends or lovers all from the comfort of home it's not hard to imagine how popular the software becomes after all all one needs is a big red and a game purchased of course through dream quest all is fine until a federal prosecutor for the state of illinois is found dead wearing a big red now it's up to agent frank kelly to quietly recover the big red for the government in a case that threatens to expose a deeper corruption about the author t martin koller was born in the city of philadelphia to working class parents thanks to his mother who loved books and had an extensive library and who had him read gibbons decline and fall of the roman empire ancient history is now one of his favorite subjects koller joined the u s navy after graduating high school at 18 afterwards koller joined the philadelphia police department putting his language skills to good purpose most of what he was involved with allowed koller more of a chance to grow his own theories about the world we live in such as the ruins in peru and the ancient peruvian pottery his literary tastes include the likes of arthur c clarke and isaac asimov two of the greatest now he is intrigued by the future of humankind particularly quantum mechanics a potentially dangerous new field of inquiry after all how many past civilizations have reached our present stage of development only to suffer total collapse

do you have too many regrets of missed opportunities and too few moments of joy have you forgotten the power of little things and small steps of progress when faced with life's most daunting mountains ring the bell will encourage inspire and renew your spirit as you make a lasting impact on everyone you touch experience a life changing awakening that will deliver answers and results at home and where you work each of us has the power to ring the bell of life as we multiply blessings from the lord in service to others

in early america most children had only a few toys and parents received advice from family and friends on the best ways to make and use toys by the early 1900s the industrial revolution was producing a new world of toys and giving more parents the wealth to buy them mass media also sang the praises of these new factory made store bought toys but that began to change as early as the mid 1900s when the mass media was used to inform parents of the many dangers of children's toys many encourage violence sexism racism and some are actually unsafe and unhealthy the development of children's toys from early america to the present time and the shifting opinions of them expressed by parents and the mass media throughout this time are the main subjects of this book the first section discusses the many problems with toys while the second puts these problems in historical perspective how have these problems changed and are still changing today might today's toys be about to enter a time when they will be better than ever the third section argues that many media toy watchers are biased toward the negative giving toys more of a black eye than they deserve and considers the challenges that face today's parents as they try to choose the best toys for their children

calling the police calling the g men calling all americans to war on the underworld was the sign on of the first radio program to portray the agents of the fbi as action heroes thus began the remarkable collaboration between the government agency and the merchants of popular culture that was to continue for over forty years in g men richard gid powers explores the cultural forces that permitted the rise and fostered the fall of the nation's secret police as national heroes he examines popular attitudes toward crime from the standpoint of functionalist durkheimian theory and surveys the fbi's image in

popular entertainment from the thirties to the recent today s fbi as a vicarious ritual of national soli darity to explain the popularity of the action detective formula soundly based on extensive research and interviews the book pro vides an account of how the fbi and the mass entertainment indus try were able to transform the bureau and its biggest cases into popular mythology hoover and his fbi became national heroes through identifi cation with the action detective hero of crime entertainment hoover s popular culture role made him and his bureau sacrosanct symbols of national pride and unity but in turn made it very diffi cult for them to do anything that would not conform to the public s preconceptions about action heroes powers shows that the dy namics of popular culture are integral to an explanation of the collapse of the bureau s reputation following hoover s death had hoover and the popularizers of the fbi not attempted to turn the popular culture g man into an embodiment of traditional ameri can virtues the illegal activities that came to light following hoover s death would have been excused as inconsequential in the larger context of a hard boiled war on the underworld g men examines a classic case of the manipulation of popular culture for political power seldom in american culture has such manipulation been so successful as powers states at the same time hoover was casting his shadow over american public life his g men were the stars of movies radio adventures comics pulp magazines television series even bubble gum cards but he finds that hoover far from controlling his own destiny and the power of the agency he had built was created shaped and then destroyed by the dynamics of popular culture and the public expectations it generated
