camp tv of the 1960s offers a comprehensive understanding of all of the many forms

camp tv took during that critical decade in reevaluating the history of camp on television the authors reconsider the infantilized conceptualization of sixties television which has generally been characterized as the creative and cultural ebb between the 1950s golden age of television and the networks shift to relevance in the early 1970s encompassing contributions from a broad range of media and television scholars that re consider programs like batman the monkees the addams family bewitched f troop the beverly hillbillies and rowan martin s laugh in chapters closely examine beloved 1960s american prime time programs that drew significantly on aspects of camp many of which were widely syndicated and left continuing imprints on popular culture other chapters consider key tv precursors from the early sixties british camp television programs such as the avengers the use of musical codes to convey camp humor even on black and white sets the role that the viewing strategies of queer communities played and continued to play even decades later and how camp s multivalence allowed for more conservative readings especially among older audiences which were critical for the move to mass camp throughout american culture by the early seventies camp tv of the 1960s is essential reading for students and scholars in television studies and others interested in the history and theory of camp the 1960s or popular culture as well as fans of these well known but generally understudied television programs

the horror anthology tv show american horror story first aired on fx horror in 2011 and has thus far spanned eight seasons addressing many areas of cultural concern the show has tapped in to conversations about celebrity culture family dynamics and more this volume with nine new essays and one reprinted one considers how this series engages with representations of gender sexuality queer identities and other lgbtq issues the contributors address myriad elements of american horror story from the relationship between gender and nature to contemporary masculinities offering a sustained analysis of a show that has proven to be central to contemporary genre television

difficult women on television drama analyses select case studies from international tv dramas to examine the unresolved feminist issues they raise or address equal labor force participation the demand for sexual pleasure and freedom opposition to sexual and domestic violence and the need for intersectional approaches drawing on examples from the killing orange is the new black big little lies wentworth outlander westworld being mary jane queen sugar vida and other television dramas with a focus on complex female characters this book illustrates how female creative control in key production roles direct authorship together with industrial imperatives and a conducive cultural context indirect authorship are necessary to produce feminist texts placed within the larger context of a rise in feminist activism and political participation by women the growing embrace of a feminist identity and

the ascendance of post feminism this book reconsiders the unfinished nature of feminist struggle s and suggests the need for a broader sweep of economic change this book is a must read for scholars of media and communication studies television and film studies cultural studies american studies sociology of gender and sexualities women and gender studies and international film media and cinema studies

from 9 11 to covid 19 the twenty first century looks increasingly dystopian and so do its television shows long form science fiction narratives take one step further the fears of today liberal democracy in crisis growing economic precarity the threat of terrorism and omnipresent corporate control at the same time many of these shows attempt to visualize alternatives using dystopian extrapolations to spotlight the possibility of building a better world programming the future examines how recent speculative television takes on the contradictions of the neoliberal order sherryl vint and jonathan alexander consider a range of popular sf narratives of the last two decades including battlestar galactica watchmen colony the man in the high castle the expanse and mr robot they argue that science fiction television foregrounds governance as part of explaining the novel institutions and norms of its imagined futures in so doing sf shows allegorize and critique contemporary social political and economic developments helping audiences resist the naturalization of the status quo vint and alexander also draw on queer theory to explore the representation of family structures and their relationship to larger social structures recasting both dystopian and utopian narratives programming the future shows how depictions of alternative world political struggles speak to urgent real world issues of identity belonging and social and political change
