candace owens is one of the most polarizing and influential public voices of the twenty first century loved by many criticized by others and impossible to ignore she has reshaped conversations about race politics culture and identity in ways that continue to reverberate far beyond social media timelines and television screens yet behind every headline every viral clip and every controversy is a human story far more complex than public perception allows this definitive biography explores the

woman behind the microphone from her childhood in stamford and the formative experiences that shaped her worldview to her unlikely ideological transformation meteoric rise in digital media and emergence as a political powerhouse this book traces the full arc of her evolution it follows her through the creation of blexit her years at turning point usa her high profile partnership and eventual split with the daily wire and her bold decision to step into full independence along the way it examines the controversies she ignited the debates she reframed and the cultural impact she left in her wake but this is more than a political portrait it is also an intimate look at candace s personal life including her marriage to george farmer her experiences with motherhood her private beliefs and the emotional toll of navigating fame in an era defined by division through detailed research and nuanced storytelling the book reveals the contradictions convictions and complexities that make her one of the most fascinating figures of her time inside you will discover how candace challenged assumptions about black political identity and opened doors for new ideological conversations the strategies that helped her build a massive digital platform and redefine the modern political influencer the moments of conflict backlash and reinvention that shaped her career the moral and ethical questions raised by her commentary and public choices what her journey reveals about free speech cultural polarization and the future of political discourse whether readers admire her fearlessness or question her methods candace owens s story demands attention it is the story of a woman who disrupted established narratives forced the country to confront difficult conversations and carved a place for herself in american history through sheer force of will

warning this is a best seller summary and analysis of blackout it is not the original book nor intended to replace it if you are a democrat do not read this book because you will learn many characteristics about your party that are embarrassingly despicable your party historically exploited and constrained many blacks if you want the truth or prove yourself to be a

republican or independent then this book and candace owen s book are must reads so you can support black conservatives for 2020 and throughout life a hard core democrat for most of her life candace owens started to doubt the left s treatment of and policies for black americans she decided to take a close look at how the democrats had organized black communities for change that meant control constrain and harm the democrat efforts were aimed to prevent blacks from conquering the challenges of poverty and embrace the american dream black success meant less power for the democrats ms owens shares her personal history in which she started in the projects and rose to reside on 1600 pennsylvania avenue she sets an example of how she overcame obstacles and setbacks to beat the democrat system designed to keep her down as a victim government assistance ms owens argues has a dark side and can take away motivation and independence it results in plantation politics she laments how the democrats push for abortion has many adverse effects on black communities beyond the murder of black babies she explains how the metoo movement is detrimental to black males and hence the black communities in general taking a right turn in political identity will lead to a healthier happier more independent and more successful life what do you have to lose was what trump as a candidate asked blacks about voting republican nothing is the right answer but with a whole lot to gain important books demand widespread readership and understanding blackout is one of them use this best selling summary and analysis book to 1 decide if the original text is for you hint it is 2 get chapter by chapter main points and takeaways 3 gain a better understanding 4 learn what you must know in a fraction of the time 5 refresh your memory of the parent book

this is a summary book for four separate books they are not the original books it is meant as a companion book not a replacement the 2020 election is as much about the supreme court as it is about trump senator ted cruz a former state

attorney general for texas is fully acquainted with how the supreme court works and its colorful history one justice one vote can change a nation by overriding the constitution nothing less than our freedoms are at stake should a liberal judge become a new addition to the court a strategy put in play by the left since the 1960s cruz served as a supreme court clerk and litigated the court numerous times with success candace owens decided to take a close look at how the democrats had organized black communities for change that meant control constrain and harm the democrat efforts were aimed to prevent blacks from conquering the challenges of poverty black success meant less power for the democrats taking a right turn in political identity will lead to a healthier happier more independent and more successful life be aware that you and your family will always live under constant attack by socialists sean hannity will tell you why in live free or die leftwing resentment radicalism and elaborate plans for theft and graft grew in the shadows to undermine democracy beginning in the turbulent 1960s they comprise a formidable army of social justice warriors aided and abetted by such institutions as academia the mainstream media and the diabolical deep state dinesh d souza writes to expose the democrat socialists their socialist dream for what a racket it is and then proceeds to bury them he shares how the socialists first arose how their deceitful techniques are infused with a divisive and antagonistic form of identity socialism and how we must rally behind trump s lead to stop them

chronicling and analyzing resistance to the threat that autocracy poses to american liberal democracy this book provides the definitive account of trump s assault on truth and his populist attacks on expertise as well as scientific and legal opposition to them this book is about the threat of autocracy which antedated donald trump and will persist after he leaves the stage pandering to populists autocrats attack professional expertise in an orwellian world where ignorance is strength and where as hannah arendt wrote people believe everything and nothing trump sought to inflame xenophobia by blaming china for the

pandemic and closing u s borders then declaring victory and when that proved premature wrongly blaming the number of tests for escalating cases he sought to muzzle government scientists and denounced those who defied or evaded his directives as members of the deep state preferring to rely on inexperienced buddies he elevated obscure scientists who promoted quack cures and opposed effective preventive measures while sidelining the few reputable experts who nevertheless courageously resisted political interference in addition to these as this book documents independent scientists scientific journals and professional associations also outspoken often more so even the pharmaceutical industry sought to preserve the integrity of a federal bureaucracy that assured the public the drugs they consumed were safe and efficacious following trump s numerous efforts to distort and undermine expertise this book describes and evaluates the resilience of scientific and legal defenses of truth this definitive account and analysis of trump s populist rejection of truth and expertise will appeal to scholars students and others with interests in politics populism and the rule of law and more specifically to those concerned with resisting the threat that autocracy poses to liberal democracy
