migrant protest has proliferated worldwide in the last two decades explicitly posing questions of identity rights and equality in a globalized world nonetheless such mobilizations are often considered anomalies in social movement studies and political sociology more broadly due to weak interests and a particularly disadvantageous position of outsiders to claim rights connected to citizenship in an attempt to address this seeming paradox migrant protest interactive dynamics in precarious mobilizations explores the interactions and spaces shaping the emergence trajectory and fragmentation of migrant protest in unfavorable contexts of marginalization such a perspective unveils both the odds of precarious mobilizations and the ways they can be temporarily overcome while adopting the encompassing terminology of migrant this book focuses on precarious migrants including both asylum seekers and illegalized migrants

explores the central role the aesthetic played in energising the massive mobilisations of young people the disaffected the middle classes and the apolitical silent majority in the north african and middle eastern uprisings with protest movements such as

drawing on extensive ethnographic fieldwork and interviews with activists fractured militancy tells the story of postapartheid south africa from the perspective of johannesburg s impoverished urban black neighborhoods nearly three decades after south africa s transition from apartheid to democracy widespread protests and xenophobic attacks suggest that not all is well in the once celebrated rainbow nation marcel paret traces rising protests back to the process of democratization and racial inclusion this process dangled the possibility of change but preserved racial inequality and economic insecurity prompting residents to use militant protests to express their deep sense of betrayal and to demand recognition and community development underscoring remarkable parallels to movements such as black lives matter in the united states this account attests to an ongoing struggle for black liberation in the wake of formal racial inclusion rather than unified resistance however class struggles within the process of racial inclusion produced a fractured militancy revealing the complicated truth behind the celebrated success of south african democratization paret uncovers a society divided by wealth urban

geography nationality employment and political views fractured militancy warns of the threat that capitalism and elite class struggles present to social movements and racial justice everywhere

apartheid and fragmented protest in contemporary southern africa examines protest movements through the lens of apartheid studies the first general theory of apartheid which explores how oppression harm injustice poverty loss and inequality persist the book argues that apartheid which breaks the world of the oppressed into fragments fomenting diverse experiences of oppression among its victims frames the nature and course of protests by making them subject to its fragmentation protest is thus redefined as good neighbourly and demoted on account of its symbiotic relationship to apartheid it is observed that the proliferation of protests does not preclude the persistence of apartheid rather protest and apartheid are seen to be compatible by examining protest hashtags on x from south africa and zimbabwe the book explores and identifies the forms relations meanings trajectories and effects protests take evoke and embody as fragments subsisting in a fractured apartheid universe it demonstrates how and why life goes on amidst protest sheds light on the contradictions paradoxes and complexities that characterise protest movements and invites conversations around protest as a paradigm in the context of apartheid the book will be of interest to researchers across the fields of social movements protests sociology african studies and communication and media studies

to date the mainstream literature on mexican politics has said little about women even though their participation as formal political actors has increased dramatically in the past fifteen years somewhat surprisingly the political participation of women although well documented in other latin american countries has been neglected in the case

paper commissioned by the joint acls ssrc africa committee to be presented at the african studies association annual meeting november 2 6 1989 atlanta georgia

the socio economic transformation of south africa is necessary for the consolidation of its democracy this can be fully realized only when poor people s voices are heard in the corridors of power voices of protest documents the first post apartheid initiatives of poor people to mobilize and organize themselves the book analyzes social struggles and movements in a variety of

arenas it illuminates poor people's demands leadership organizational structure and most importantly their politics the book also assesses the collective effect of south africa's social movements on the country's democracy and its socio economic system

with particular reference to jodhpur rajasthan india

features the most influential musical protests and statements recorded to date providing pop culture viewpoints on some of the most tumultuous times in modern history includes songs about the vietnam war the civil rights movement policy in the middle east teenage rebellion animal rights and criticisms of mass media

in late april tens of thousands of people gathered to protest at the second people's summit of the americas the ftaa summit resist is a collection of young people's experiences from quebec city surprising in their honesty these accounts including poems photos and essays look at what happened during the ftaa weekend the contributors seek answers to explain the treatment of the protesters marvel at the strength of character of those that they encountered and celebrate many successes the material gathered here reflects the variety of people who felt compelled to go to the protests and talks about how they chose to participate the contributors found themselves on either side of the fence and in jails and they watched as friends were harassed or taken away by police they talk about their participation in the saturday march sleeping on gymnasium floors and being fed and taken care of amongst the personal stories are responses from many different groups and essays that analyse the ftaa the anti globalization movement and organizations involved in acts of resistance an engaging look at the second people's summit of the americas resist presents a much different experience from that depicted in the news coverage it encourages all of us to be forward looking and to be active within our own communities publisher website

at all levels of government from the international to the local public policies are formulated mainly by men but their impacts are felt sometimes differently by women men and children this book considers the impact of public policy on various aspects of women's lives including sex and birth marriage and death work and child rearing and women's responses to those policies written by scholars who have lived on five continents the chapters span the first and third worlds with several

providing case illustrations of policies affecting women in latin america asia and africa written by scholars from several disciplines the volume includes the fields of economics politics and planning literature also is covered along with women s fiction as a source of women s opinions the work is divided into two sections the first section economic policies and migration considers the impact of economic and demographic policies the second section sex and marriage violence and control considers policies relating to women s interpersonal relationships urban culture is discussed in an epilogue
