kendrick lamar has established himself at the forefront of contemporary hip hop culture artistically adventurous and socially conscious he has been unapologetic in using his art form rap music to address issues affecting black lives while also exploring subjects fundamental to the human experience such as religious belief this book is the first to provide an interdisciplinary academic analysis of the impact of lamar's corpus in doing so it highlights how lamar's music reflects current tensions that are keenly felt when dealing with the subjects of race religion and politics starting with section 80 and ending with damn this book deals with each of lamar's four major projects in turn a panel of academics journalists and hip hop practitioners show how religion in particular black spiritualities take a front and center role in his work they also observe that his astute and biting thoughts on race and culture may come from an african american perspective but many find something familiar in lamar's lyrical testimony across great chasms of social and geographical difference this sophisticated exploration of one of popular culture's emerging icons reveals a complex and multi faceted engagement with religion faith race art and culture as such it will be vital reading for anyone working in religious african american and hip hop studies as well as scholars of music media and popular culture

this is an innovative work in african philosophical thought that links the phenomenon of nihilism in black america in particular black

american youth to modern traditions of western philosophy black nihilism and antiblack racism engages defining themes of black existential life by offering a framework for considering the relationships between antiblack racism pessimism nihilism weakness strength maturity freedom and hope in the 21st century this book readdresses themes popularly raised by cornel west in 1994 regarding the nature causes evaluations diagnoses and prognoses of what has been called nihilism in black america black nihilism and antiblack racism seeks to recontextualize discussions of nihilism and its possibilities for american cultural life as a result this book bears important questions offers unique analyses and suggests radical responses that are relevant for studies of black life and theories of justice in twenty first century america

hip hop music encompasses an extraordinarily diverse range of approaches to politics some rap and hip hop artists engage directly with elections and social justice organizations others may use their platform to call out discrimination poverty sexism racism police brutality and other social ills in pulse of the people lakeyta m bonnette illustrates the ways rap music serves as a vehicle for the expression and advancement of the political thoughts of urban blacks a population frequently marginalized in american society and alienated from electoral politics pulse of the people lays a foundation for the study of political rap music and public opinion research and demonstrates ways in which political attitudes asserted in the music have been transformed into direct action and behavior of constituents bonnette examines the history of rap music and its relationship to and extension from other cultural and political vehicles in black america presenting criteria for identifying the specific subgenre of music that is political rap she complements the statistics of rap music exposure with lyrical analysis of rap songs that espouse black nationalist and black feminist attitudes touching on a number of critical moments in american racial politics including the 2008 and 2012 elections and the cases of the jena 6 troy davis and trayvon martin pulse of the people makes a compelling case for the influence of rap music in the political arena and greatly expands our understanding of the ways political ideologies and public opinion are formed

this book explores the various meanings of multiethnicity in singapore by focusing on selected arenas and processes it examines how ethnic and interethnic dimensions interact in the construction of community and identity in the context of nation building its analysis ranges from detailed ethnography to discussion of broad features and issues and links micro and macro data by juxtaposing the two levels and showing how they interact theoretically the study addresses several issues involving ethnic identity and community modes of ethnic interaction and nation building in a multiethnic context it confirms and elaborates on the symbolic affective power of ethnicity the contradictory trends of ethnic harmony and tension in interaction and the structuring impact of macro forces empirically it documents the singapore case of how individuals groups and the state manage ethnicity and ethnic relations for viable multiethnic living

literature race and ethnicity is a text anthology of american

literature organized around issues of race and ethnicity divided into nine units the anthology gives focus to issues of race and ethnicity faced by members of different communities located at every section opening introductions help readers to see issues within the general ideas of race and ethnicity throughout the book attention to historical context allows readers to see ethnicity and race as a perennial american issue awareness of whiteness and white ethnicity helps readers to place themselves in the story includes well written and accessible works by writers from many racial and ethnic communities for those interested in literature and american studies

bachelorarbeit aus dem jahr 2021 im fachbereich didaktik für das fach englisch landeskunde note 1,7 eberhard karls universität tübingen sprache deutsch abstract the title of the paper already indicates what it is about the micropolitics of kendrick lamar are to be analysed but what exactly does that mean this paper will look at what micropolitics means to kendrick lamar does he define his political opinion through his ethnicity in this paper political hip hop and rap will be examined in particular one of the most important rappers of the 21st century will be used for this purpose kendrick lamar this paper will deal with how kendrick lamar reveals his political opinion in his works what qualifies him for this thesis is that kendrick lamar raps a lot about racism discrimination and life as a black person in his songs but not only these topics are dealt with in his songs the reference to religion is not neglected either what runs like a thread through all his songs and albums is the marginalisation of black people kendrick lamar sees himself as the voice of the black oppressed society he gives them his voice and tries to draw attention to various issues in the following micropolitics will be first defined and it will be worked out what it means for the culture and what role popular culture plays here the most important part of this work is to understand how micropolitics can be used to better understand hip hop this will be elaborated mainly in the second chapter furthermore this thesis will briefly compare micropolitics and politics and work out what part hip hop can play here at this point it will be made clear why kendrick lamar resorts to politics in his songs and what politics actually means in this case once these basics have been clarified kendrick lamar will be briefly introduced in order to better understand the background of his music afterwards his political attitude will be elaborated this will be done based on his four published studio albums furthermore four different songs each song from a different album to see his development will be analysed in detail a music video will also be subjected to this analysis

as hip hop artists constantly struggle to keep it real this fascinating study examines the debates over the core codes of hip hop authenticity as it reflects and reacts to problematic black images in popular culture placing hip hop in its proper cultural political and social contexts

this volume shows the formidable range of variation in youth language youth language is analyzed as a phenomenon in negotiations of identities and social relations the contributions particularly concentrate on youth language in late modern urban societies this is

an area of study which has been gaining increasing attention in sociolinguistics over the past few years one observation that is almost inevitable is that there is a string of similarities to be found between youths in quite different circumstances ranging from university students in argentina to juvenile delinquents in greece and to skaters in greenland a wide range of language situations are covered from danish cypriot greek turkish to spanish greenlandic norwegian catalan and of course english the articles in this anthology document and analyze linguistic youth styles and behaviors as well as attitudes in their totality they present a picture of youth language as functional socially valuable and flexible with a special emphasis on identity negotiations

a chilling exploration of the criminal mind from juvenile delinquency to cold blooded murder cover subtitle

contemporary europe is in the midst of a cultural and social crisis debates over how european societies should respond to their changing ethnic profile lie at the heart of this crisis whilst the issues raised have been given sharper focus by nationalist political parties espousing an anti immigration agenda this book examines the relationship between gender and ethnicity in europe viewed from within an immigration framework to date much of the research on europe has treated gender and ethnicity in isolation the contributors to this collection rectify this they make the links between these two areas thus giving ethnic minority women greater visibility within the european context they consider the relationship between gender and ethnicity from a number of thematic perspectives including the feminization of migration political mobilization by ethnic minority women women and islam and the formation of identity the case studies examine islamic cultures in italy turkish identity in germany the political experience of south asian women in the uk migrant women in spain challenges to the social reputation of muslim women in the netherlands evolving perceptions in post communist russia and political activism in france the book also considers white women s identity and questions whether or not a service caste drawn from contemporary migrant women is emerging in today s europe throughout we learn about the new and different forms of europeanness that these women are forging

a generation gap has emerged between parents and their girls the mothers and fathers of tomorrow s women have little idea what their daughters are up to sexually or how they feel about it drawing on in depth interviews with more than seventy young women and a wide range of psychologists academics and experts renowned journalist peggy orenstein goes where most others fear to tread pulling back the curtain on the hidden truths hard lessons and important possibilities of girls sex lives in the modern world
