in this book tahirah j walker provides an analysis of how black women in pittsburgh navigate the public sphere through an examination of the ways that intersecting identities shape discourse silence and reclamation the author draws from historical events personal narratives and community case studies to take a deep look at the intersectional marginalization resistance and transformation journeys

of black women in a city deemed most unlivable for them walker amplifies unique presentations of language silence and reclamation as they are negotiated via race gender and class the book serves as testimony to the way intersectionality is turned on its head in pittsburgh to create spaces of love and freedom through fearless speech parrhesia strategic listening and community engagement practices at its heart this project is a love letter to every black woman who has lived in pittsburgh and asked herself why affirming that while so much research exists on the struggles of being a black woman in this city it is equally important to recognize the innovations and triumphs

we share with you this zine to identify the school to prison pipeline to share the pittsburgh public school s discipline policy to provide our ideas for solutions we are youth undoing institutional racism yuir made up of a cohort of intergenerational anti racist organizers

this book describes a model for educational leadership ethics that provides a critical reflective vision of what education can be for all children in k 12 schools the authors of race conscious caring in educational leadership conducted interviews with 22 school leaders who shared their visions toward serving students of color the resulting model is built around the four features demonstrated by the strongest leaders race consciousness critical caring justice leadership and ethical praxis race conscious caring leaders go beyond their good intentions to develop deep understanding of the needs and interests of their students they learn about racial identities and histories as strengths and sources of learning and they provide opportunities for educational experiences that are routinely denied to marginalized and minoritized students this book provides numerous examples of race conscious caring leaders with key analysis of where leaders fall short it is designed to help future and current leaders to critically reflect on their own experiences challenging them to build their capacity for transformative change book features provides instructors with a unique text that integrates equity leadership and professional ethics describes a comprehensive model that challenges leaders to improve across multiple dimensions especially if they are strong in some areas and not as strong in others presents the ideal for each part of the model along with examples of partial fulfillment and what it looks like when a leader evidences very few of the ideals incorporates examples and excerpts from school leaders who demonstrate varied levels of engagement with the model to help readers see themselves in the various categories addresses the challenges today s leaders are facing due to policies and political climates working to pull back on equity work

african americans from pittsburgh have a long and distinctive history of contributions to the cultural political and social evolution of the united states from jazz legend earl fatha hines to playwright august wilson from labor protests in the 1950s to the black power movement of the late 1960s pittsburgh has been a force for change in american race and class relations race and renaissance presents the first history of african american life in pittsburgh after world war ii it examines the origins and significance of the second great migration the persistence of jim crow into the postwar years the second ghetto the contemporary urban crisis the civil rights and

black power movements and the million man and million woman marches among other topics in recreating this period trotter and day draw not only from newspaper articles and other primary and secondary sources but also from oral histories these include interviews with african americans who lived in pittsburgh during the postwar era which reveal firsthand accounts of what life was truly like during this transformative epoch race and renaissance illuminates how pittsburgh s african americans arrived at their present moment in history it also links movements for change to larger global issues civil rights with the vietnam war affirmative action with the movement against south african apartheid as such the study draws on both sociology and urban studies to deepen our understanding of the lives of urban blacks

this book offers the first transnational history of white nationalism in britain the us and the formerly british colonies of rhodesia south africa and australia from the post world war ii period to the present it situates contemporary white nationalism in the anglosphere within the context of major global events since 1945 white nationalism it argues became more global in reaction to the forces of decolonisation civil rights mass migration and the rise of international institutions in this period assumptions of white supremacy that had been widely held by whites throughout the world were challenged and reformulated as western elites professed a commitment to colour blind ideals the decline in legitimacy of overtly racist political expression produced international alliances among white supremacists and new claims of populist legitimization

throughout this book the articles reveal the imprecision of the current understanding of the issues of race and racism impacts of racism on white americans is essential reading for sociologists psychologists and all those seeking insights into institutional and societal racism the volume offers a clear articulation of a number of historical spatial and international perspectives on race relations it incorporates a variety of levels of analysis from the individual to the organizational to the international and it utilizes a range of methodologies in addressing a question that has a relative dearth of research literature international social science review spring 1983

presenting a vivid historical account of the contributions that black psychiatrists have made to american psychiatry this important book documents the growth and influence of the group in tandem with the advancement of the field as a whole it provides us with a deep appreciation for what these pioneers accomplished and the hurdles they overcame spurlock and the book s many distinguished contributors provide an overview of the history spanning generations and various areas of psychiatry this volume documents early and contemporary pioneers and their contributions to modern psychiatry surveys of black psychiatrists in academia child psychiatry psychiatric research forensic psychiatry and psychoanalysis provide an enlightening view of their experiences from a collection of descriptive essays readers can step into the shoes of several pioneers and experience how they lived these personal reflections provide enormous insight into the history of american psychiatry finally the book addresses current mental health issues affecting

african americans as well as the barriers black psychiatrists face and the coping mechanisms they use this work should be of particular interest to psychiatry students or residents and to anyone interested in the history of american psychiatry it discusses the widening opportunities for professional growth for black psychiatrists and the important place black psychiatrists have reached in the present mental health arena

this interesting collection of essays and readings concentrates on the connections between racial justice and economic justice but also explores the dynamic intersections of race class and gender the underlying theme is that comprehending and acting upon such connections and intersections provide the key to overcoming racism the volume begins with a lengthy introductory essay by editor paul le blanc which presents a coherent summary of african american history with special focus on the civil rights movements of the 1950s and 1960s le blanc argues that effective action must be grounded in an understanding of the past and he provides practical guidelines for activism this is followed by readings from some of the most prominent personalities in the history of the african american liberation struggle frederick douglass martin delany sojourner truth harriet tubman ida b wells booker t washington marcus garvey w e b du bois paul robeson c l r james a philip randolph martin luther king jr bayard rustin malcolm x ella baker and others this very informative work will be useful for a wide range of college courses and sensitivity training workshops as well as for unionists and activist groups

intimate histories focuses on intimate relations as sites of shared pasts connecting african american and german history in the years between 1933 and 1990 by tracing topics that include anti miscegenation laws forced sterilization casual sexual encounters marriage and friendships intimate histories broadens our understanding of african american german relations during the so called century of extremes
