is america in the midst of an electoral transformation what were the sources of joseph biden s victory in 2020 and how do they differ from republican and democratic coalitions of the past does the democratic victory signal a long term decline for republicans chances in presidential elections change and continuity in the 2020 and 2022 elections explores those questions by analyzing and explaining the voting behavior in the most recent presidential and midterm elections as well as setting the results in the context of larger trends and patterns in elections studies the authors present the latest national election studies data to help students see how social forces party loyalties and prominent issues affect voting behavior turnout and ultimately the results of presidential and congressional elections readers will come away with a better understanding of what the most recent elections mean for the future of american politics

the 2020 presidential election was one of the most historic contested and contentious in american history joe biden was the oldest person elected president kamala harris was the first female elected vice president and the first vice president of black and asian descent the primaries campaigns and elections were held for the first time amid an international and national pandemic despite this voter turnout was the highest in 120 years donald trump was the first president in modern times who refused to concede leading to numerous lawsuits over the election process and results although election litigation and state officials found no evidence of large scale voter fraud nevertheless continued claims of a stolen election led to a riotous mob occupation of the us capitol on january 6 2021 in an attempt to overturn the electoral college results the atlas of the 2020 elections explains the results of the 2020 elections with a series of unique maps unleashing the illustrative power of cartography and the relevance of history and political geography the contributors a balanced mix of geographers political scientists and historians provide a comprehensive examination of the election process from the primary campaigns through the general election and post election events in addition to the presidential election the atlas has full coverage of other important races including congressional races state races and local and state referenda illustrated with more than 150 meticulously drawn full color maps and numerous graphs and tables the atlas will be an essential reference and a fascinating resource for scholars teachers students pundits campaign staff and political junkies alike and for all who care about

the american democratic process

this volume explores the conflict between two forces party polarization and party factionalism the major change in america s two political parties over the past half century has been increased polarization which has led to a new era of heightened inter party competition resulting in stronger and more cohesive parties at the same time elections particularly primaries often reveal deep internal factional divisions within both the parties and the 2020 election was no different the democratic coalition typically pits moderate or establishment candidates against progressive activists and candidates while the republican party in 2020 was at times polarized not only between moderates and conservatives but between those willing to criticize president trump and those who would not how did these two opposing forces shape the outcome of the 2020 election and what are the consequences for the future of american party politics and elections

the 2020 presidential election was one of the most historic contested and contentious in american history joe biden was the oldest person elected president kamala harris was the first female elected vice president and the first vice president of black and asian descent the primaries campaigns and elections were held for the first time amid an international and national pandemic despite this voter turnout was the highest in 120 years donald trump was the first president in modern times who refused to concede leading to numerous lawsuits over the election process and results although election litigation and state officials found no evidence of large scale voter fraud nevertheless continued claims of a stolen election led to a riotous mob occupation of the us capitol on january 6 2021 in an attempt to overturn the electoral college results the atlas of the 2020 elections explains the results of the 2020 elections with a series of unique maps unleashing the illustrative power of cartography and the relevance of history and political geography the contributors a balanced mix of geographers political scientists and historians provide a comprehensive examination of the election process from the primary campaigns through the general election and post election events in addition to the presidential election the atlas has full coverage of other important races including congressional races state races and local and state referenda illustrated with more than 150 meticulously drawn full color maps and numerous graphs and tables the atlas will be an essential reference and a fascinating resource for scholars teachers students pundits campaign staff and political junkies alike and for all who care about the american democratic process

from pandemic to insurrection voting in the 2020 us presidential election describes voting in the 2020 election from the presidential nomination to new voting laws post election election officials and voters navigated the challenging pandemic to hold the highest turnout election since 1900 president donald trump s refusal to acknowledge the pandemic s severity coupled with frequent vote fraud accusations affected how states provided safe voting how voters cast ballots how lawyers fought legal battles and ultimately led to an unsuccessful insurrection

up close inauguration day 2021 looked like any other the chief justice of the us supreme court administering the oath of office to the new president on the steps of the u s capitol but pull the lens back and this was anything but a typical election and transition of power in a return to normalcy larry sabato kyle kondik and j miles coleman bring together respected journalists analysts and scholars to examine every facet of the stunning 2020 election and its aftermath and how these events will impact american politics moving forward in frank accessible prose each author offers insight that goes beyond the headlines and dives into the underlying forces and shifts that drove the election from its earliest developments to its chaotic conclusion a return to normalcy is an indispensable read for political junkies and all students of american politics

this book adopts a regional approach to understanding 2020 presidential election outcomes taking into account the tribalism that has come to define contemporary us politics and building a path to 270 electoral college votes the authors employ qualitative and quantitative methods to examine electoral outcomes in the midwest southwest southeast and northeast enriching contextual understandings of the national results and illuminating nuances in public opinion voter behavior and party politics from this foundation the book offers a comprehensive assessment of prominent issues in the 2020 campaign which fundamentally shaped and reshaped the nature of the election scholars examine seven key issues including multiple crises that unfolded during the campaign to understand how these issues affected public opinion and the 2020 campaign

edited and introduced by msnbc s ali velshi the trump indictments collects the complete charging documents brought by the department of justice and the fulton county ga and manhattan ny district attorneys a riveting and shocking narrative of the former president s alleged crimes and conspiracies a valuable record for history velshi makes a

strong case that americans need to understand these documents and keep them close as the various trials proceed in the coming months and years washington post despite having lost the defendant was determined to remain in power so reads the compelling introduction to the department of justice s second indictment against donald trump one of four criminal cases brought against the former president purposely crafted as narratives to be read by the public these documents are among the most consequential in american history forcing the country to grapple with the critical question does justice apply to the most powerful edited and with an introduction by msnbc host ali velshi the trump indictments collects all the charging documents against trump and his co defendants providing critical insight on a decisive moment in our history it is required reading as the country faces a pivotal reckoning both in our justice system and at the ballot box united states of america v donald j trump 4 felony counts for conspiring to overturn the 2020 u s presidential election results united states of america v donald j trump et al 40 felony counts for mishandling of classified documents the state of georgia v donald john trump et al 13 felony counts for leading a criminal organization that conspired to overturn georgia s election people of the state of new york v trump 34 felony counts concerning hush money payments made before the 2016 u s presidential election

breitbart com editor jerome hudson returns with even more red pills facts and statistics to counteract the lies and blind spots of the mainstream media did you know donald trump has allocated more funding to historically black colleges and universities than any other president in 50 things they don t want you to know about trump jerome hudson uncovers all the things americans have not been told about our 45th president we re surrounded by supposed influencers shouting about the scandals that americans care about the least from tv talking heads to social media activists from feckless washington swamp monsters to candidates fighting for the soap box your teachers your politicians and your local paper are not likely to ever tell you drug overdoses dropped for the first time in 30 years under trump america once again led the world in reducing carbon emissions in 2019 trump is the first pro gay marriage candidate elected president obama endorsed it after his election democrats backed out of attending an award ceremony from a criminal justice reform organization when they found out trump won the award the famous muslim ban excluded 87 percent of the world s muslims under trump blue collar workers enjoyed three times the wage growth

of the top 1 percent of households after finishing 50 things they don't want you to know about trump you'll be stunned at the many trump accomplishments which just aren't reported by the powers that be

system error is a triumph an analysis of the critical challenges facing our digital society that is as accessible as it is sophisticated anne marie slaughter ceo of new america a forward thinking manifesto from three stanford professors experts who have worked at ground zero of the tech revolution for decades which reveals how big tech's obsession with optimization and efficiency has sacrificed fundamental human values and outlines steps we can take to change course renew our democracy and save ourselves in no more than the blink of an eye a naïve optimism about technology's liberating potential has given way to a dystopian obsession with biased algorithms surveillance capitalism and job displacing robots yet too few of us see any alternative to accepting the onward march of technology we have simply accepted a technological future designed for us by technologists the venture capitalists who fund them and the politicians who give them free rein it doesn't need to be this way system error exposes the root of our current predicament how big tech's relentless focus on optimization is driving a future that reinforces discrimination erodes privacy displaces workers and pollutes the information we get this optimization mindset substitutes what companies care about for the values that we as a democratic society might choose to prioritize well intentioned optimizers fail to measure all that is meaningful and when their creative disruptions achieve great scale they impose their values upon the rest of us armed with an understanding of how technologists think and exercise their power three stanford professors a philosopher working at the intersection of tech and ethics a political scientist who served under obama and the director of the undergraduate computer science program at stanford also an early google engineer reveal how we can hold that power to account troubled by the values that permeate the university's student body and its culture they worked together to chart a new path forward creating a popular course to transform how tomorrow's technologists approach their profession now as the dominance of big tech becomes an explosive societal conundrum they share their provocative insights and concrete solutions to help everyone understand what is happening what is at stake and what we can do to control technology instead of letting it control us

few elections in american history have featured the divisive politics and caustic rhetoric that dominated the 2020 election for the american presidency throughout the year

americans saw the incumbent president impeached heard allegations that the election was rigged and finally witnessed an assault on the us capitol by demonstrators angered by the outcome of the election turmoil in america the 2020 election examines these issues and explores how one of the country s most significant democratic institutions endured the challenges posed by the 2020 presidential campaign

through pandemic protests and polarization americans went to the polls in 2020 one of the most contentious elections in american history continuing an r l tradition now entering its fourth decade divided we stand book provides the most comprehensive and authoritative account of the national election as well as congressional and state elections from the nominating process to the insurrection designed to stop the ratification of the electoral college vote andrew e busch and john j pitney jr revisit the campaigns and results through the short lens of politics today and the long lens of american political history with its keen insights into the issues and events that drove the 2020 elections divided we stand the 2020 elections and american politics will be an invaluable resource for students and all political observers seeking to understand a historic election that will continue to resonate throughout american politics for many years to come

for all practical purposes gives you the mathematics tools that will enrich your life beyond the classroom drawing examples and applications from nature to science and industry to economics finance and politics

will donald trump s mexican border wall actually make our country safer how much will bernie sanders s medicare for all plan really cost american taxpayers you ll find the answers in this book the 2020 us presidential election doesn t seem so much a battle of ideas as it does a war of two tribes bent on the other s destruction the far left and far right increasingly dominate and drive america s political debate leaving a majority of americans feeling left out and left behind the ultimate guide to the 2020 election gives a voice to this majority and provides an unbiased education on the true nature of the problems america faces on several key issues including health care energy climate change infrastructure big tech privacy the american dream immigration the national debt gun safety beyond these policy issues no labels senior advisors ryan clancy and margaret white present ideas for rescuing american democracy itself complete with sample questions for the 2020 presidential candidates and an inclusive unity agenda

that addresses concerns on both sides of the aisle this nonpartisan political handbook should be required reading for all us voters

if john f kennedy tip o neill or even bill clinton were to run as democrat candidates today their own party would cancel them in a heartbeat if the joe biden of 1992 were to run today msnbc would label him maga joe how did jfk s party of catholics and union workers become aoc s party of privileged ivy leaguers with queers for palestine signs and purple hair over the past few decades democrats have swung so far to the left that they have little in common with past generations of progressives in progressively worse bestselling author and fox news contributor joe concha highlights how the democrats used to care about blue collar workers protest against new wars defend free speech criticize the elites and wall street want limits on immigration now the party of the hippies is now the party of hamasniks and the party of feminists now celebrates male athletes in women s sports though spotlights of key influencers like gavin newsom rashida tlaib keith olbermann and pete buttigieg progressively worse lays out the facts every american should know about the democrat party it s not even a party anymore it s more like the hangover the day after
