manufacturers actually wanted to compromise and agree to new handgun laws implicitly accepting some liability but the nra leadership with charlton heston as their president crushed them in outgunned brown and abel uncover how nra lobbyists were instrumental in stopping smith wesson in its tracks they show how the tendrils of the nra reach into the christian alliance and republican party and how men like john mccain have fought back and been undermined outgunned reveals how the nra began dealing with president george w bush when he was still governor of texas prodding him into signing a shocking prohibition against the kind of suits gauthier brought against the gun manufacturers outgunned is the story of a legal crusade with up close accounts of the people who fought every step of the way for those who believe in the importance of stopping unnecessary bloodshed this book is essential powerful and urgent
