now in its third edition in the news is the standard canadian textbook on media relations used across the country the authors provide an introduction to media relations grounded in both communications theory and hands on day to day experience whether you need to promote your issues to the nation or reach small targeted groups this book is your step by step guide in the news is perfect for communications students media relations practitioners in the private public and voluntary sectors and anyone who wants to break a story

seventeen articles covering western industrialized countries european socialist countries developing countries and overall perspectives by leading experts of journalism and mass communication ten appendices reproduce documents on professional ethics and related topics published by the international organization of journalists prague 1989

we regret the error it s a phrase that appears in newspapers almost daily the standard notice that something went terribly wrong in the reporting editing or printing of an article from craig silverman the proprietor of regrettheerror com one of the internet s most popular media related websites comes a collection of funny shocking and sometimes disturbing journalistic slip ups and corrections on display are all types of media inaccuracy from fuzzy math to obiticide printing the obituary of a person very much alive and well to complete and utter ethical lapses while some of the errors can be laugh out loud funny the book contains a sobering journey through the history of media mistakes including the outrageous hoaxes that dominated newspapers during the circulation wars of the 19th century and a serious muckraking investigation of contemporary journalism s lack of accountability to the public it shines a spotlight on the media s carelessness and the sometimes tragic and calamitous consequences of weak or non existent fact checking

the former white house press secretary and communications director analyzes our current political moment through the lens of politics and culture and argues that president trump has put the country back on the right track and needs to be reelected in 2020 when it was announced that sean spicer would be the newest guest on abc s dancing with the stars he was promptly attacked by countless liberal media institutions apparently they d rather see him crawl under a rock forever than have a little fun on television while raising money for charity and that was only a small example all over the country liberals are attacking conservatives with the kind of fervor once reserved for hardened criminals it s a zero sum game either you re with them one hundred percent or you re the enemy whether you re in politics media academia or entertainment it s the same story as one of the few people who s played a small part in all of those worlds sean spicer has a unique perspective on the methods used by the left to shut down conservative voices he s been parodied on snl ripped apart on the nightly news and protested on college campuses all for doing his job outside of the left s bubble however he s been able to transition from politics to entertainment very well and he s got huge numbers of supporters in leading america he writes about all the ways president trump has fought back against the left and examines all the ways conservatives can take a stand to uphold their rights and values

this work is meant for anyone having relations with newspaper who wishes to know something of their methods of getting and writing news
