the essential book to understanding donald trump as a businessman and leader and how the biggest deal of his life went down now barrett s classic book is back in print for the first time in years and with an introduction about trump s 2016 presidential campaign donald trump claims that his success as a self made businessman and real estate developer proves that he will make an effective president but this devastating investigative account by legendary reporter wayne barrett proves otherwise back in print for the first time in years barrett s seminal book reveals how trump put together the biggest deal of his life trump tower through manipulation and deceit how he worked with questionable characters from the mafia and city politics and how it all nearly came crashing down here is a vivid and inglorious portrait of the man who wants now to be the most powerful man in the world in trump the greatest show in the world the deals the downfall the reinvention barrett unravels the myth and reveals the truth behind the mogul s wheelings and dealings after decades covering him few reporters know trump as barrett does instead of the canny businessman that trump claims in his own books barrett explores how trump exploited his father s banking and political connections to finance and grease his first major deals barrett s investigative biography takes us from the days of donald s lonely youth to his brash entry into the real estate market and to the back room deals

behind his new york atlantic city and florida projects most compellingly barrett paints an intimate portrait of trump himself a man driven by bravado obsessive self regard and an anxious ruthlessness to subdue his rivals and seduce anyone with the power to aid his empire we see him head to head with an opponent as powerful as pete rozelle ingratiating himself with the brooding governor on the hudson and fueling the dredging engine driven by michael milken with hundreds of millions in fees paid ironically by gaming companies to fend off trump takeovers we explore his complicated emotional and business relationship with his first wife ivana and the use he planned to make of his mistress and later his second wife marla maples as a southern strategy in his then contemplated presidential campaign with interviews with scores of adversaries and former colleagues we are given a privileged look at trump the businessman in action reckless as often as he is brilliant reliant on threats as much as on charm and ultimately a cautionary tale is this the man we want to lead the world praise for trump trump is a withering portrait of the most self mythologized and promoted businessman of our era an exhaustively researched and long overdue antidote to trump s own books it is a penetrating portrait of the age that spawned him and the many who aided and abetted his rise trump seems destined to be the definitive account of how trump got ahead and why he fell it is a sad story with important lessons for us all james b stewart pulitzer prize winning author of den of thieves donald trump surprises us again wayne barrett s trump is a fresh detailed and vivid account of the tangled connections of money politics and power in our times nicholas pileggi author of wiseguy

the point of the book is the standard of law esq where the conjecture is the most repeated standard throughout the book

as the novel coronavirus covid 19 spread around the world so did theories stories and conspiracy beliefs about it these theories infected communities from the halls of congress to facebook groups spreading quickly in newspapers on various social media and between friends they spurred debate about the origins treatment options and responses to the virus creating distrust towards public health workers and suspicion of vaccines this book examines the most popular covid 19 theories connecting current conspiracy beliefs to long standing fears and urban legends by examining the vehicles and mechanisms of covid 19 conspiracy readers can better understand how theories spread and how to respond to misinformation

the most important fact about the coronavirus pandemic that turned the world upside down in 2020 is that our response to it has been an epic overreaction driven by a disastrous confluence of public and private interests all of them purporting to follow the science since the lockdowns began millions of americans have relied on the reporting of alex berenson exposing the hysteria and manipulation behind the worst failure of public policy since world war i this clear eyed journalist has been a critical source of reason and truth the product of relentless investigation and research pandemic explains how an illness that many people will never even know they had became the occasion for economically ruinous lockdowns and the suppression of personal freedom on a previously unimaginable scale dispassionate factual and untainted by any agenda other than telling the truth this is the account that pandemic weary americans desperately need

covid 19 the first six months presents a day by day chronicle of the pandemic s opening phase capturing the epidemiological medical social and cultural impacts of a

rapidly unfolding global crisis drawing on a dataset of approximately 3 600 news reports medical updates and academic papers collected in real time between january and june 2020 this book offers an unparalleled level of detail and precision beginning with retrospectively sourced coverage of events prior to january 2020 it traces the earliest signals of the outbreak and follows its progression across continents documenting how governments health systems and communities responded to a threat unlike any in recent history each entry preserves the immediacy of the moment reflecting the uncertainty urgency and evolving understanding that shaped decisions in the pandemic s first half year modeled after the author s earlier work a day by day chronicle of the 2013 2016 ebola outbreak bullard 2018 this volume provides both a comprehensive timeline and a rich indexed source base for researchers the references included form an extensive archive of early pandemic sources making it a unique and indispensable resource for those studying covid 19 public health epidemiology and the history of disease provides a highly detailed chronological account of the first six months of the covid 19 pandemic presents a comprehensive and unparalleled collection of references including many primary sources from the early stages of the pandemic delivers a case study on a massive scale providing an exceptional in depth account of a disease outbreak

an approachable scientific look at the development of covid 19 over the course of 2020 this book takes a unique look at a truly unique year
