in today s modern era it has never been more crucial to ensure the safety of vulnerable populations in particular black individuals in custody further study is required to implement best practices and strategies that improve protection comparing black deaths in custody police brutality and social justice solutions describes the actions that lead to the death of black people while they are in the process of being detained by a law enforcement agent or are already detained this publication focuses on three core countries america australia and south africa where black deaths in custody appear to occur at higher rates covering key topics such as racism prejudice and slavery this reference work is ideal for industry professionals law enforcement officers government officials policymakers researchers scholars academicians practitioners instructors and students

post war japan offers a compelling case study of national apologies for past wrongdoings actions of the japanese army and government during the second world war caused enormous suffering and distress throughout asia leaving a legacy of resentment and distrust beginning in the mid 1980s apology for wartime actions became a recurring issue for japan repeated calls for apology from various quarters as well as repeated apologies by japanese officials provide a rich source for the study of national apology and how public apology discourse develops over time unlike most rhetorical studies that focus on apologia in the broad sense this study concentrates on the strategy of the true apology the study combines rhetorical sociological and historical approaches to address multiple examples of japanese apology during the period 1984 to 1995 the author suggests that motive is more complex than the image restoration theory that is prevalent in rhetorical theory more specifically this study emphasizes repair of relationships self reflection leading to a new improved identity and affirmation of moral principle as reasons for apology

offering popular and scholarly selections this book helps readers better understand concepts in interpersonal communication and offers practical advice to facilitate more effective communication the interpersonal communication reader features brief engaging selections on topics ranging from basic principles of interpersonal communication verbal and nonverbal messages and interpersonal relationships to topics that are rarely covered in depth in other books such as feedback gossip and apologies emphasizing the practical skills of interpersonal communication and relationships the selections also highlight the theoretical and research foundations on which these skills rest for anyone interested in interpersonal communication
