in the 1 new york times bestseller the former assistant to the president and director of communications for the office of public liaison in the trump white house provides an eye opening and explosive the boston globe look into the corruption and controversy of the current administration few were a member of donald trump s inner orbit longer than omarosa manigault newman their relationship spanned fifteen years through four television shows a presidential campaign and a year by his side in the most chaotic outrageous white house in history but that relationship came to a decisive and definitive end and omarosa finally shares her side of the story in this deftly executed the guardian jaw dropping account a stunning tell all and takedown from a strong intelligent woman who took every name and number unhinged is a must read for any concerned citizen

text messages is the first multi genre collection by montreal based iraqi hip hop artist activist and professor yassin narcy alsalman composed entirely on a smartphone during air travel and married to artwork from comrades narcy s writing speaks of the existential crises experienced by diasporic children of war before and during imperialism in the age of the internet narcy s verses span the space between hip hop and manifesto portraying a crumbling end stage capitalist society visions for a new reality and the myth of multiculturalism in post 9 11 north america the wordsmith hollows and transmogrifies the grotesque excess of the west by juxtaposing mclife with images of death destruction and trauma in the east from the depths of apathetic consumerism arises a voice of spiritual self realization that explodes the misrepresented mythical monolith of islam in the west and with the rubble builds healing through intelligent resistance and radical love young boys and girls trapped in walmarts our consumer interim camps a family friendly discounted freedom you don t see what the internet can t not our land or home not your mans or holmes not your towers or domes not your power or drones

over 2 million copies sold runaway 1 new york times bestseller sensational 1 international bestseller explosive the washington post devastating the new yorker unprecedented cnn great reporting astute hugh hewitt the inside story on president trump as only bob woodward can tell it with authoritative reporting honed through nine presidencies author bob woodward reveals in unprecedented detail the harrowing life inside president donald trump s white house and precisely how he makes decisions on major foreign and domestic

policies fear is the most intimate portrait of a sitting president ever published during the president's first years in office the focus is on the explosive debates and the decision making in the oval office the situation room air force one and the white house residence woodward draws from hundreds of hours of interviews with firsthand sources meeting notes personal diaries files and documents often with day by day details dialogue and documentation fear tracks key foreign issues from north korea afghanistan iran the middle east nato china and russia it reports in depth on trump's key domestic issues particularly trade and tariff disputes immigration tax legislation the paris climate accord and the racial violence in charlottesville in 2017 fear presents vivid details of the negotiations between trump's attorneys and robert mueller the special counsel in the russia investigation laying out for the first time the meeting by meeting discussions and strategies it discloses how senior trump white house officials joined together to steal draft orders from the president's oval office desk so he would not issue directives that would jeopardize top secret intelligence operations it was no less than an administrative coup d'état woodward writes a nervous breakdown of the executive power of the most powerful country in the world

on the first anniversary of donald trump's presidency michael nelson one of our finest and most objective presidential scholars published trump's first year a nonpartisan assessment that was widely hailed as the best account of one of the most unusual years in presidential history at the midpoint of trump's term nelson has updated his book to include the second year which if anything has proven to be even more remarkable beginning with an examination of the dramatic 2016 election nelson's book follows trump as he takes office under mostly favorable conditions with relative stability at home and abroad and his party in control of both houses of congress trump leveraged this successfully in some ways from the confirmation of his nominee neil gorsuch to the supreme court to the passage of his tax reform bill but many more actions were perceived as failures or even threats to a safe functional democracy including immigration policies defied by state and local governments volatile dealings with north korea unsuccessful attempts to pass major legislation and the inability to fill government positions or maintain consistent white house staff as nelson demonstrates in a substantial addition to the original book trump's effectiveness or lack thereof did not change significantly in his second year in office but his approach often did with the mueller investigation and the midterm elections looming trump threw off his advisors restraints and acted more directly on his impulses reverting to the instincts and rhetoric that had won him the election while opposition to trump remained strong in many quarters resistance among gop leaders crumbled as they were confronted with their constituents support of the president published on the second anniversary of trump's inauguration nelson's book offers the most complete and up to date assessment of this still unfolding story praise for the first edition measured scholarly and always accessible this is a cogent analysis of the first year of the trump presidency the independent trump's first year won't generate the bombshell headlines of more sensationalist and gossipy books but it provides context and balance for its conclusions ones that are consistently at odds with trump's own assessment of his performance kirkus reviews providing one of the earliest objective evaluations of president donald j trump's administration nelson demonstrates why he remains a leading figure in the field of presidency studies choice
