i want to share with you a powerful principle a key that will bring you great peace of mind joy in heart and confidence it is the power of thank you god to thank him in everything and for all things amazing things happen when we thank god in everything and for all things if you begin to do it you will experience great peace in the midst of your storms on the way to your safe haven i experienced this power recently in my life and it had such an impact on me that i felt that i just had to write this little book in this book we will understand that tough times come upon all of us and oftentimes unannounced even though we may be faith people who know how to stay in the word and walk by faith and not by sight and to confess and declare god s promises sometimes our faith does indeed get challenged severely job and solomon went through such trials not to mention mooses and joseph and other heroes of the faith yet they overcame and we too shall overcome our trials may not be pleasant at the time but they are building our faith and bringing us closer to god we will learn to give god thanks in everything not necessarily for everything but in everything then we will learn to give thanks even for all things not just in the midst of them we will see that this is the will of god we will see that we should take heart in the midst of our trials because something better is coming because god causes all things to work for our good for our benefit we are on a road to victory and though the journey may seem long and hard victory is certain because god always causes us to triumph and he always leads us in a triumphant procession praise his holy name we will see that whatever is going on in our lives this moment is part of a bigger plan that god is sovereign and at work and he that begun the work will also complete it so that we may be whole and complete and so much more like jesus we will also learn how to thank god in advance for things not yet realized for giving thanks for things you cannot see is indeed a powerful act the act of receiving by faith we will see that god is sovereign and because of both his sovereignty and his love for us that he cares for us we can rest in his love and trust him that everything will be okay for god is at work we need to be strong not only for ourselves but for others others need to see in us the strength of trusting god in the midst of our trials how we act in our trials will hurt or help others let us help let us help by our

example of trusting god and thanking him on our journey to victory god is telling his people to live a life of thanksgiving thank him in and for all things we will also learn that whenever we go through any situation even if it is a hard or hurtful one to look for that silver lining and thank god for it not only are we to give thanks to god but we should become the reason others give thanks to god we will learn that god is at work in us and that even our difficulties are part of god s grander plan to have the creator of everything at work in us is amazing and we can be sure that he will complete the work he started for this we must give god thanks we will see that thanksgiving is a spiritual sacrifice and that we should enter into his gates with thanksgiving we will learn that we should give god thanks when we go through trials for the strength and endurance he gives us to go through them as well as for the outcome our ultimate victory in adversity and let us allow him to complete the work that he started in us how honored we are that almighty god allows us to go through trials and then give us triumph ultimately we give god thanks for his unspeakable gift
