this research handbook examines the evolution of understandings and legal definitions of domestic abuse illustrating the importance of expanding these beyond physical violence to encompass coercive control drawing on academic literature legal doctrine and the lived experiences of victims and survivors it highlights how responses to domestic abuse can be improved in civil family and criminal justice systems

this book assesses how policies developed by the national assembly for wales are affecting gender inequalities and investigates whether they are having an impact on social justice for women in wales in 1999 the first elections to devolved governments took place in scotland and wales in wales this resulted in 40 per cent of assembly members being women in 2003 this proportion increased to 50 per cent which makes the national assembly for wales the first legislative body with equal numbers of men and women in the world the guardian 3 5 03 this new gender balance of political representatives is a significant change in

the gendering of political institutions and this together with the creation of a new tier of government has the potential to create new opportunities for the development of social policies which address gender and other social inequalities focusing on distinct policy domains this book explores gender politics in a devolved wales each chapter investigates a particular aspect of social policy exploring the way it has developed since devolution and the extent to which considerations of gender and social justice for women are central to this development the empirical chapters which form the core of the book are situated theoretically and politically by the first chapter which discusses how gender and social justice can be theorised and explores devolution and its relation to gender politics in wales

this book presents a variety of socio legal perspectives on issues of domestic violence and abuse focussing on contemporary research and practice developments in policing law statutory and voluntary sectors the contributors to this volume cover a vast spectrum of initiatives and professional expertise concerned variably with protection prevention and intervention priorities the challenges of joined up thinking across these perspectives are apparent as the varied definitions underpinning ideologies terminologies the profile of the victim survivor s voice and identified gaps in service provision appearing in this book illustrate as a reflection on the current economic climate some of the perspectives presented necessarily compete rather than complement each other an issue the volume highlights and addresses achieving a broader understanding of these issues and insights into a range of activity in this context is vital for both the practitioner and academic alike whatever their perspective

this edition of criminal law text cases and materials offers an exceptional depth of analysis a wealth of cases and materials all set within the theoretical context of criminal law the effective two part structure of each chapter in the book the first part explaining the law as it is the second examining the theoretical aspects ensures that readers not only gain a secure understanding of the law itself but also acquire a fundamental appreciation of the surrounding philosophical and ethical debates important theoretical material is made accessible to students through a particularly engaging writing style the author s clarity of expression brings the subject to life and places the law in context this text is an essential and complete resource for all those wanting to get to grips with the always fascinating and sometimes challenging area of criminal law online resource centre this book is accompanied by an online resource centre offering updates to the law following publication useful weblinks and guidance on answering questions in the book video footage of the author talking about the book and his approach to criminal law provides the perfect introduction to your studies

this book considers how a phenomenon as complex as coercive control can be criminalised the recognition and ensuing criminalisation of coercive control in the uk and ireland has been the focus of considerable international attention it has generated complex questions about the best way to criminalise domestic abuse this work reviews recent

domestic abuse criminal law reform in the uk and ireland in particular it defines coercive control and explains why using traditional criminal law approaches to prosecute it does not work laws passed in england and wales versus scotland represent two different approaches to translating coercive control into a criminal offence this volume explains how and why the jurisdictions have taken different approaches and examines the advantages and disadvantages of each as jurisdictions around the world review what steps need to be taken to improve national criminal justice responses to domestic abuse the question of what works and why at the intersection of domestic abuse and the criminal law has never been more important as such the book will be a vital resource for lawyers policy makers and activists with an interest in domestic abuse law reform

this book explores the law and legal system s impact on older persons as well as describing the current law primarily in england and in wales it highlights the pivotal role that elder law lawyers play in using law to challenge and combat ageism important questions are raised about whether the law perpetuates ageism and whether the current working of the law effectively challenges discrimination abuse and social exclusion faced by older persons elder law lawyers have an essential role in advocating for the rights of older persons the book focuses on the need to uphold and respect the human rights of older persons emphasising their dignity autonomy and right to inclusion it examines key topics such as human rights in the context of ageing the provision of social care discrimination decision making capacities mental health and abuse and neglect it also offers insights into the notion of personal liberty concerning older persons and whether existing safeguards are sufficient the international dimensions of elder law are discussed highlighting the range of initiatives led by the united nations and efforts by non governmental organisations and regional bodies these initiatives aim to confront and diminish ageism on both international and domestic fronts emphasising the need for a concerted effort to enforce the rights of older persons across different cultures and legal systems this book will interest researchers students and practitioners specialising in family and social welfare law elder law human rights law and discrimination law

in domestic violence intersectionality and culturally competent practice experts working with twelve unique groups of domestic abuse survivors provide the latest research on their populations and use a case study approach to demonstrate culturally sensitive intervention strategies chapters focus on african americans native americans latinas asian and pacific island communities persons with disabilities immigrants and refugees women in later life lgbt survivors and military families they address domestic violence in rural environments and among teens as well as the role of religion in shaping attitudes and behavior lettie l lockhart and fran s danis are editors of the council of social work education s popular teaching modules on domestic violence and founding co chairs of the cswe symposium on violence against women and children in their introduction they provide a thorough overview of intersectionality culturally competent practice and domestic violence and basic practice strategies such as universal screening risk assessment and safety planning they follow with collaborative chapters

on specific populations demonstrating the value of generalist social work practice including developing respectful relationships that define issues from the survivor's perspective collecting and assessing data setting goals and contracting identifying culturally specific interventions implementing culturally appropriate courses of action participating in community level strategies and advocating for improved policies and funding at local state and federal levels featuring resources applicable to both practitioners and clients domestic violence forms an effective tool for analysis and action

one of the most difficult and dangerous things a person can do is to leave an abusive relationship this book provides insights into what victims go through and the challenges they face to change from victims to survivors it is filled with real life stories and experiences as well as quotes from survivors who have made that change it also provides information the author feels is important not only for the survivor but also for the family friends and loved ones of those caught up in the frightening crazy making world of abusive relationships the author addresses such issues as what is domestic violence why do victims stay and or return to the abuser what are the psychological emotional and verbal tools the abuser uses to control the victim what is the worst part of the abuse according to victims what is the cycle of abuse and how does it compare to the cycle of respect why is it so hard to get away what is safety planning and how can friends family and loved ones play a big part in it

the research methodology and the problems encountered when studying a subject such as domestic violence coupled with the ethical problems of researching with children are discussed at length in the book this gives a good insight into the intricacies of conducting such a research study the research looked not only at children who were known to have direct contact with domestic violence but also what children in general thought and felt about domestic violence the presentation of the findings both in tabular and narrative form was well presented accident and emergency nursing journal this book offers accessible and interesting reading it is well written as one would expect from these authors there are a lot of pointers for the way forward in terms of both policy and practice this is likely to become a seminal text research policy and planning this is a useful and challenging read for all of us who seek to work effectively and ethically in this complex area of practice professional social work just looking at the authors of this book tells the reader that they are about to embark on a pioneering piece of academic research a comprehensive and authoritative piece of work domestic abuse quarterly a vital tool for all those working with children childright written in a lucid style and is easy to read it is essential reading for all students in social work undergraduate courses and also in post qualifying courses on child welfare and protection in addition professionals who are directly working in the area of child protection schools and criminal justice settings would find this book informative and useful in understanding what children and young people want and need in relation to living in domestic violence situations child and family social work this book is powerfully written and is essential reading for professional working

with and supporting abused women and their children its groundbreaking focus on children s experiences adds much to our understanding of the complexities of domestic violence journal of family studies a treasure chest of rich diverse and powerful extracts from children and young people in particular the material presented on different coping strategies used by children who have experienced domestic violence is an important contribution to an area about which very little is known adoption and fostering journal how do children who live with domestic violence cope how do they make sense of their experiences do they receive the right sort of help from formal and informal sources drawing on the newest research designed to hear the voices of children and young people this important book examines children s experiences and perspectives on living with domestic violence the authors explore the effect of domestic violence on children what children say would help them most in coping with domestic violence the advice children would offer other children who find themselves in similar circumstances their mothers and the helping professions this accessible book written for students their teachers researchers and all those working with children across social work health child psychology and psychiatry the law and education will provide a vital insight into children s own perspectives on domestic violence

if you want to learn how to survive domestic violence or want to learn more information about this topic then get domestic violence 101 this e book on domestic violence includes the following topics discussion on what is domestic violence information on what are the types of domestic violence and who can be a victim facts about domestic violence what the cycle of violence is and why it is dangerous tips regarding safety planning questions to ask yourself about your person situation how to be safe in your own home how to access resources information about how to get help and where to get help contact phone number for the national domestic violence hotline tips on how to bag an emergency bag what documents you need to take with you before you leave risks regarding leaving why victims choose to stay how to prepare to leave what you should consider if you are making a decision to stay or to leave your abuser general information regarding protection from abuse order pfa the importance of saving evidence of the abuse for the courts how to make the best use of your support system what to in the first 24 hours after you leave how to make a transition to your new life tips on finding permanent housing why it is important to consider relocation how to speak up for yourself the importance of maintaining your support system but also your confidentiality of your new location how to be a voice for others as a survivor how others part of the movement to stop domestic violence howexpert publishes quick how to guides on all topics from a to z by everyday experts

a handbook on domestic violence victim survival techniques domestic violence is a crime domestic violence is about power and control over another person it is not a problem with anger rarely do you see an abuser act violently with friends coworkers or a boss it is a jeckyl and hyde personality that confuses others who learn of a person s violence with their partners abusers can act charming loving and attentive when they want to drinking drugs genetics the victim s

behavior or stress does not cause domestic violence it is learned behavior it is learned in the home by observation and reinforcement before the age of 10 domestic violence happens in all races religions and socio economic groups a relationship starts in the honeymoon phase over time tension starts building usually when the abuser feels that the victim is sufficiently hooked into the relationship either through marriage moving in together or getting pregnant the abuse starts the honeymoon phase is what hooks the victim back into the relationship and keeps the cycle moving over time the cycle reduces to just tension abuse and the episodes of violence get more frequent and severe victims often leave their abusers an average of five to seven times before they are able to leave permanently the victim is in greater danger when they decide to leave only the victim can decide what is best for them and their children it is important to recognize that they are the experts in their relationship not an outsider never tell a victim just leave him her the victim must develop a safety plan they will know when it will be the best time to leave summary domestic violence also domestic abuse spousal abuse battering family violence and intimate partner violence is a pattern of behavior which involves violence or other abuse by one person against another in a domestic context such as in marriage or cohabitation intimate partner violence is domestic violence against a spouse or other intimate partner domestic violence can take place in heterosexual or same sex relationships domestic violence can take a number of forms including physical emotional verbal economic and sexual abuse which can range from subtle coercive forms to marital rape and to violent physical abuse that results in disfigurement or death globally a wife or female partner is more commonly the victim of domestic violence though the victim can also be the male partner or both partners may engage in abusive or violent behavior or the victim may act in self defense or retaliation domestic violence often occurs because the perpetrator believes that abuse is justified and acceptable and may produce intergenerational cycles of abuse that condone violence awareness perception definition and documentation of domestic violence differs widely from country to country there may be a cycle of abuse during which tensions rise and an act of violence is committed followed by a period of reconciliation and calm victims of domestic violence may be trapped in domestic violent situations through isolation power and control insufficient financial resources fear shame or to protect children as a result of abuse victims may experience physical disabilities chronic health problems mental illness limited finances and poor ability to create healthy relationships victims may experience post traumatic stress disorder children who live in a household with violence show dysregulated aggression from an early age that may later contribute to continuing the legacy of abuse when they reach adulthood domestic violence often happens in the context of forced and child marriage 2

this new edition of the bestselling responding to domestic violence explores the response to domestic violence today not only by the criminal justice system but also by public and non profit social service and health care agencies after providing a brief theoretical overview of the causes of domestic violence and its prevalence in our society the authors cover such key topics as barriers to intervention
