in recent years geeks have become chic and the fashion and beauty industries have responded to this trend with a plethora of fashion forward merchandise aimed at the increasingly lucrative fan demographic this mainstreaming of fan identity is reflected in the glut of pop culture t shirts lining the aisles of big box retailers as well as the proliferation of fan focused lifestyle brands and digital retailers over the past decade while fashion and beauty have long been integrated into the media industry with tie in lines franchise products and other forms of merchandise there has been limited study of fans relationship to these items and industries sartorial fandom shines a spotlight on the fashion and beauty cultures that undergird fandoms considering the retailers branded products and fan made objects that serve as forms of identity expression this collection is invested in the subcultural and mainstream expression of style and in the spaces where the two intersect fan culture is in many respects an optimal space to situate a study of style because fandom itself is often situated between the subcultural and the mainstream collectively the chapters in this anthology explore how various axes of lived identity interact with a growing movement to consider fandom as a lifestyle category ultimately contending that sartorial practices are central to fan expression but also indicative of the primacy of fandom in contemporary taste cultures

in the realm of higher education a persistent challenge exists in empowering black and brown students within historically black colleges and universities hbcus and hispanic serving institutions hsis to transcend societal limitations often labeled as at risk or lagging within the achievement gap these students possess untapped potential hindered by traditional teaching methods the impact of covid 19 and racial injustice has exacerbated disparities underscoring the need for innovative teaching approaches that connect academic subjects with the real experiences of these learners educators navigating evolving technology and diverse classrooms strive to bridge this gap while fostering cultural inclusivity addressing this challenge is the book teaching humanities

with cultural responsiveness at hbcus and hsis curated by duewa m frazier representing a groundbreaking collective effort the book offers transformative educational practices that bridge the gap between conventional teaching and the diverse realities of hbcu and hsi classrooms covering topics like teaching esl and efl students accommodating disabilities integrating hip hop pedagogies and promoting social justice education the anthology provides research driven solutions that empower educators to revolutionize their teaching methods to foster academic excellence and equity the book resonates with scholars administrators and educators guiding them on a journey of innovation that harmonizes cultural responsiveness and academic achievement ushering in a new era of education

this enlightening book reframes the history of hip hop and this time women are given credit for all their trailblazing achievements that have left an undeniable impact on music first things first hip hop is not just the music and women have played a big role in shaping the way it looks today first things first takes readers on a journey through some notable firsts by women in hip hop history and their importance factual firsts like queen latifah becoming the first rapper to get a star on the hollywood walk of fame lauryn hill making history as the first rapper to win the coveted album of the year award at the grammys april walker being the first woman to dominate in the hip hop fashion game and da brat being the first solo woman rapper to have an album go platinum and metaphorical firsts like missy elliott being the first woman rapper to go to the future trust me she really did there are chapters on music legends like nicki minaj lil kim and mary j blige tv and radio hosts like big lez and angie martinez and so many more ladies i would name but i don t want to spoil the book there are games charts and some fire images too altogether first things first is a celebration of the achievements of women in hip hop who broke down barriers and broke the mold so the next time someone doesn t have their facts straight on the ladies in hip hop you can hit them with first things first

in freeing black girls tamura lomax offers an insurgent feminist love letter to black girls women mothers and othermothers exploring what it means to mother black children in the twenty first century lomax shares her journey from her traditionalist black girlhood to finding the path to revolutionary black motherhood along the way she shows how all black people are endangered by white supremacist capitalist heteropatriarchal dominance and emphasizes the power of looking and talking back lomax insists on black feminist ways of living that value and nourish whole persons sketching a radical dream that will allow black women and girls to survive america while being able to love themselves others and collective black freedom ultimately lomax declares that black women and girls are emphatically not defective second class or immanent nurturers they are sacred and revolutionary beings who deserve to live a life free of predation patriarchy misrecognition misogynoir and violence
