this book demonstrates that one is capable of achieving any goals that one sets for him herself i hope it will be an inspiration to others as they journey along the pathways of life this book summarizes the achievements the difficulties and sometimes struggles that were encountered along the way it speaks of anxiety fear anticipation but never apathy there were times of restlessness working and studying until the wee hours of the morning just to meet the class assignments those were used as motivation to succeed the vagaries of the weather in the uk and its unpredictability played a part in my planning every move and decision that too helped me to realize the nature of things and how essential it is to prepare if possible for the future it is indeed a wonderful

feeling when one is able to look back over many years on a long journey and a productive life and feel satisfied that something of note has been left behind i trust this book will give food for thought and be of help to others

dorothy and delia piano students enter a fantastic world where musical notation comes alive and the rudiments of music are explained in an entertaining way

a comprehensive overview of the musical career of elton john provides the full story behind all of the musician s recordings a complete chronicle of his concert tours an assessment of his musical odyssey and a study of his sometimes turbulent personal life along with more than forty photographs and a complete discography

e m forster once described the longest journey as the book i am most glad to have written an introspective novel of manners at once comic and tragic it tells of a sensitive and intelligent young man with an intense imagination and a certain amount of literary talent he sets out full of hope to become a writer but gives up his aspirations for those of the conventional world gradually sinking into a life of petty conformity and bitter disappointments goodreads

account by h e m james of the exploration of china by james francis younghusband and harry english fulford in 1885 1886 during his service in the indian civil service from 1865 to 1900 james traveled to china in 1885 with younghusband and fulford to explore manchuria and the changbai mountains the account includes much detail on the local peoples and customs and constitutes an important source of historical information on the region also included are appendices on opium political corruption and earlier expeditions
