dramaturgy is at the heart of any musical theatre score proving that song and music
combined can collectively act as drama the musical theatre composer as dramatist a
handbook for collaboration offers techniques for approaching a musical with the drama at

the centre of the music written by a working composer of british musical theatre this original and highly practical book is intended for composers students of musical theatre and performing arts and their collaborators through detailed case studies conceptual frameworks and frank analysis this book encourages the collaboration between the languages of music and drama it offers a shared language for talking about music in the creation of musical theatre as well as practical exercises for both composers and their collaborators and ways of analysing existing musical theatre scores for those who are versed in musical terminology and those who are not speaking directly to the contemporary artist working examples are drawn from a wide range of musicals throughout part one before a full case study analysis of everybody s talking about jamie brings all the ideas together in part two part three offers a range of practical exercises for anyone creating new musicals particularly composers and their collaborators

in debates about the authority of the bible people commonly argue that the bible is inspired even inerrant and therefore that it has authority is this argument valid dr edward w h vick argues that it is not that authority does not derive from inspiration and that terms like inspiration and inerrancy do not contribute to a belief in or the authority of the scriptures at all using the example of the seventh day adventist church and debates over the inspiration and authority of the bible and then of ellen g white he outlines and illustrates the pitfalls of arguing directly from an idea of inspiration to a view of authority in short he maintains that a doctrine of inspiration cannot serve to establish the authority of a writing writings have authority as they are accepted by and used in the community as a philosopher with years of teaching experience in biblical studies and theology dr vick examines the way in which christians speak about these issues and then asks whether what we say is contributing to what we do or where we wish to go seventh day adventists especially owe it to themselves to read this compact yet powerful book as they think about their use of e g white s writings and their relationship with scripture other christians can benefit however as the arguments are similar whether one is talking about the bible itself an authoritative figure in your religious tradition or a source of interpretation and application you view as authoritative it is especially relevant in a pluralistic world how is it that you decide what is authoritative
