once upon a time is a collection of essays in the philosophy of literature with two central themes the significance of story telling for us and the question of whether the novel perhaps the art form most closely associated with story telling is a legitimate source of human knowledge leading philosopher of art peter kivy explores why human beings are so enthralled by being told stories and whether story telling is a significant source of knowledge starting with a study of aristotle s

poetics kivy then undertakes a critical discussion of noel carroll s suggestion that our interaction with the artists of the past is a kind of conversation he goes on to defend the thesis that one of the legitimate artistic pleasures we take in novel reading is the acquiring of knowledge and furthermore that the silent reading of a novel is a kind of performance making the novel one of the performing arts the volume concludes with a chapter about jokes and in particular whether it is immoral to tell or be amused by an immoral joke this volume of essays is a must read for anyone seriously interested in literature and the conceptual problems it may raise for philosophers

designed for practising and student teachers working with a wide range of narrative fiction in infant and junior classrooms this text highlights the creative and expressive aspects of children s engagement with literature and provides literacy hour projects for each age group

as long as there have been fans there has been fan fiction there seems to be a fundamental human need to tell additional stories about the characters after the book series play or movie is over but developments in information technology and copyright law have put these fan stories at risk of collision with the content owners intellectual property rights fan fiction has long been a nearly invisible form of outsider art but over the past decade it has grown exponentially in volume and in legal importance because of its nature authorship and underground status fan fiction stands at an intersection of key issues regarding property sexuality and gender in fan fiction and copyright author aaron schwabach examines various types of fan created content and asks whether and to what extent they are protected from liability for copyright infringement professor schwabach discusses examples of original and fan works from a wide range of media genres and cultures from sherlock holmes to harry potter fictional characters their authors and their fans are sympathetically yet realistically assessed fan fiction and copyright looks closely at examples of three categories of disputes between authors and their fans disputes over the fans use of copyrighted characters disputes over online publication of fiction resembling copyright work and in the case of j k rowling and a fansite webmaster a dispute over the compiling of a reference work detailing an author s fictional universe offering more thorough coverage of many such controversies than has ever been available elsewhere and discussing fan works from the united states brazil china india russia and elsewhere fan fiction and

copyright advances the understanding of fan fiction as transformative use and points the way toward a safe harbor for fan fiction

dinner club by h c mcneile centers around a secretive group of affluent men who meet regularly to discuss and exact vigilante justice on perceived wrongdoers each character with distinct backgrounds and motivations brings unique perspectives to these morally ambiguous decisions the themes of morality justice and power dynamics are prevalent as the club members navigate the thin line between right and wrong the novel tackles the corruption within societal and legal frameworks echoing contemporary concerns about the integrity of institutions the story scrutinizes how personal biases and subjective morality can influence decisions reflecting modern debates about justice and accountability in law enforcement and governance modern readers might find the exploration of vigilante justice particularly resonant in an age where social media often acts as a tribunal as individuals increasingly take justice into their own hands online the novel s themes highlight the potential dangers and consequences of such actions the novel questions the true nature of justice and whether it can ever be fully objective or devoid of personal influence mcneile s dinner club remains relevant today as it probes the complexities of moral judgment and authority its narrative invites readers to consider the consequences of bypassing established legal systems in favor of personal retribution by examining the fragile balance between justice and power the book provides a timeless commentary on the ethical dilemmas faced by society urging a reflection on how far one should go in the name of justice

reproduction of the original the antigonos publishing house specialises in the publication of reprints of historical books we make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

this book is a map of the 3 worlds that make up our reality physical stories and being and a guide to navigate between them the book uses simple language and doesn t require knowledge or beleifs yet it s not meant for everyone only for those who want to see and be seen beyond the masks of personality who am i describes the path to knowing yourself healing and releasing your past to enter the world of being and what you gain and lose by the exchange who are you

describes the shared dance of seeing and knowing another and how to link as independent beings and who are we is a language of sharing being in a group for those who can no longer belong if you have no choice and simply must know then read it and breathe
