almost all intrastate conflicts involve ceasefires yet we know little about their variable role or what makes them effective or ineffective in ending civil conflict when are ceasefires used when and how do ceasefire and political negotiation processes foster or impede each other and how do various context factors condition this relationship ceasefires applies a novel analytical framework to nine different cases the contributors to this book explore the dynamic interaction between both the ceasefire process and the long term peace process focusing on questions that have previously received little attention the book shows how the ceasefire process and political negotiations for a settlement are in actuality distinct processes often involving different actors strategies and challenges all case chapters are co authored by teams that include a senior practitioner who was intimately involved in the peace process of the actual case and an academic expert

the essays in this book explore the vital role translation has played in defining changing and redefining linguistic cultural ethnic and political identities in several

nations of the south pacific while in other parts of the world postcolonial scholars have scrutinized the role and history of translation and exposed its close relationship with the colonizers this has not yet happened in the specific region covered in this collection in translation studies the pacific region is terra incognita the writers of this volume of essays reveal that in the pacific as in all other once colonized parts of the world colonialism and translation went hand in hand the unsettling power of translation is described as it effected change for better or for worse while the pacific islanders encounter with the europeans has previously been described as having a fatal impact the authors of these essays are further able to demonstrate that the pacific islanders were not only victims but also played an active role in the cross cultural events they were party to and in shaping their own destinies examples of the role of translation in effecting change for better or for worse abound in the history of the nations of the pacific these stories are told here in order to bring this region into the mainstream scholarly attention of postcolonial and translation studies

there are greater numbers of children with sen now attending mainstream schools some of them with quite significant difficulties such as down s syndrome and autism this book explains the challenges these children face and how teachers and support staff can ease their way differentiation is covered in detail with practical guidance on how to make the curriculum accessible to the hard to teach children
