this study based on quantitative and qualitative data gathered over a twelve year period takes its title from the two predominant styles of gang violence drive bys which have replaced rumbles as the primary form of gang violence and gang bangs a generic term for other gang violence that includes assaults knifings and beatings the author attempts to understand the situations in which a young man would drive up to another human being and without further ado blow his head off by examining hundreds of such situations and employing both structural and phenomenological analysis sanders explores the various configurations of gang violence gangbangs and drive bys also examines the routines of gang members and their view of life the different styles of gangs and changes undergone by gangs from the early 1980s to the end of the same decade over that period the emphasis shifted from parties and paybacks to big money from the sale of rock cocaine

and from unstructured to organized crime along with that shift came an increase in the violence finally sanders traces the beginning and evolution of a metropolitan police gang unit over the same decade in order to present an inside view of how the police attempt to deal with and understand gangs

in america someone is sexually assaulted every two and a half minutes now more than ever a comprehensive reevaluation of sexual violence is urgently necessary award winning author and historian joanna bourke delivers this timely investigation of rape a crime that is increasingly difficult to define yet devastating in its impact she draws from the work of criminologists sociologists and psychologists to examine the motivations driving perpetrators of sex crimes insisting that rapists are not born they become the rapist not the victim is the target of bourke s unflinching analysis for the perpetrator himself she asserts can only be reformed once he is humanized though indebted to a growing body of feminist analyses she radically departs from this vein of literature in order to place the rapist in his or her political cultural context

a new york times notable book of the year riveting without ever taking the easy way out the book explores the battle of good vs evil on very human terms washington post book world dark in mood and rich in character over tumbled graves by 1 new york times bestselling author jess walter is that rare thriller that manages to be at once viscerally gripping and deeply provocative during a routine drug bust on a narrow bridge over white water falls in the center of town spokane detective caroline mabry finds herself face to face with a brutal murderer within hours the body of a young prostitute is found on the riverbank nearby what follows confronts our fascination with pathology and murder and stares it down as caroline and her cynical partner alan dupree thrown headlong into the search for a serial murderer who communicates by killing women uncover some hard truths about their profession and each other rich with the darkly muted colors of the pacific northwest skies over tumbled graves established jess walter as a novelist of extraordinary emotional depth and dimension

this study explores youthful offenders perceptions of risks involved with carrying or using firearms based on interviews with 36 offenders at los angeles juvenile hall the study considers ways youth gun violence might be deterred findings though preliminary may be useful in formulating strategies for violence reduction in urban settings
