two and a half decades on jawbreaker s 24 hour revenge therapy 1993 94 is the rare album to have lost none of its original loyalty affection and reverence if anything today the cult of jawbreaker in their own words the little band that could but would probably rather not is now many times greater than it was when they broke up in 1996 like the best work of fugazi the clash and operation ivy the album is now is a rite of passage and a beloved classic among partisans of intelligent committed literary punk music and poetry why when a thousand other artists came and went in that confounding decade of the 90s did jawbreaker somehow come to

seem like more than just another band why do they persist today in meaning so much to so many people and how did it happen that two years after releasing their masterpiece the band that was somehow more than just a band to its fans closer to equipment for living was no longer ronon givony s 24 hour revenge therapy is an extended tribute in the spirit of nicholson baker s u i a passionate highly personal and occasionally obsessive study of one of the great confessional rock albums of the 90s at the same time it offers a quizzical look back to the toxic authenticity battles of the decade ponders what happened to the question of selling out and asks whether we today are enriched or impoverished by that debate becoming obsolete

this book provides a timely reconceptualization of zimbabwe s anti colonial liberation struggle resisting simple binaries in favour of more nuanced critical analysis most historiographies characterize zimbabwe s liberation struggle as being defined by simple bifurcations along racial ethnic class and ideological perspectives this book argues that the nationalist struggle is far more complex than such simple configurations would suggest and that many actors have been overlooked in the analysis the book broadens our understanding by analysing the roles of a wide range of political figures organizations and members of the military as well as the media and the often overlooked part that women played over the course of the book the contributors also reflect on the ways in which revolutionary figures have been repainted as sellouts in particular by the zanu pf ruling party and what that means for the country s interpretation of their recent past highlighting in particular the expertise of leading scholars from within zimbabwe across a range of disciplines this book will be of interest to researchers of african history politics and postcolonial studies

this book is the definitive and final presentation of john ogbu s cultural ecological model and the many debates that his work has sparked during the past decade the theory and empirical foundation of ogbu s scholarship which some have mistakenly reduced to the acting white hypothesis is fully presented and re visited in this posthumous collection of his new writings plus the works of over 20 scholars ogbu s own chapters present how his ideas about minority education and culture developed readers will find in these chapters the theoretical roots of his cultural ecological model the book is organized as a dialogue between john ogbu and the scholarly community including his most ardent critics ogbu s own work can be read at the same time as his critics have their say minority status oppositional culture and schooling examines content methodological and policy issues framing the debate on academic achievement school engagement and oppositional culture it brings together in one volume for the first time some of the most critical works on these issues as well as examples of programs aimed at re engagement in addition to african americans it also looks at school engagement among native american and latino students this book is essential reading for anyone interested in the study of the academic achievement gap

the gender of piety is an intimate history of the brethren in christ church in zimbabwe or bicc as related through six individual life histories that extend from the early colonial years through the first decade after independence taken together these six lives show how men and women of the bicc experienced and sequenced their piety in different ways women usually remained tied to the church throughout their lives while men often had a more strained relationship with it church doctrine was not always flexible enough to accommodate expected masculine gender roles particularly male membership in political and economic institutions or participation in important male communal practices the study is based on more than fifteen years of extensive oral history research supported by archival work in zimbabwe the united kingdom and the united states the oral accounts make it clear official versions to the contrary that the church was led by spiritually powerful women and that maleness and mission church notions of piety were often incompatible the life history approach illustrates how the tension of gender roles both within and without the church manifested itself in sometimes unexpected ways for example how a single family could produce both a legendary woman pastor credited with mediating multiple miracles and a man her son who joined the armed wing of the zimbabwe african people s union nationalist political party and fought in zimbabwe s liberation war in the 1970s investigating the lives of men and women in equal measure the gender of piety uses a gendered interpretive lens to analyze the complex relationship between the church and broader social change in this region of southern africa

offers a complex reading of african americans appearing on television in the 1960s and 1970s finding within these programs opposition to white construction of african american identity and the potential of television to effect social change and limitations

a trenchant expose of the inside workings of the fbi which reveals with numerous examples the extraordinarily severe problems of racism experienced by black officers

in its 114th year billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends

america s chief spy catcher between 1983 and 1994 reveals his own cold war memoir of a career spent chasing down spooks moles and traitors in the u s most notably clyde conrad the most damaging spy in american history
