an interview is a necessary component after a written examination during an interview an effective presentation can always tilt the balance in your favour to make you a winner this book brings you many sure shot tips and topics never offered before by any contemporary book

interviewing is one of the most frequently used research tools in the social sciences yet its importance as a technique is usually underestimated as Janet Powney and Mike Watts point out the practical difficulties of interviewing are often understated and the theoretical assumptions and implications of conducting interviews can prejudice a researcher's conclusions originally published in 1987 this introductory practical guide widens the debate about interviewing with discussion and advice on interviewing in different kinds of educational inquiry ranging from large scale surveys to research carried out in individual schools the authors give guidelines for preparing conducting reporting and analysing interviews and discuss the practical and theoretical problems arising from each of these aspects examples are taken from six case studies contributed by researchers who have conducted interviews for different purposes and in different ways interviewing in educational research will be valuable to students and researchers in many fields not only in educational research but generally in the social sciences in medical research economics business social planning and administration

the prank is a novel about the tendency for any news story involving a cute child or a reprehensible parent to become a media feeding frenzy about the incredible communicative power of the internet about the speed at which a fabricated happening can cross the threshold into accepted truth but it is also about us as consumers of narrative about how the digital revolution has changed the way we process information my hope is that as you are reading you will find yourself scanning skipping dismissing and cherry picking pay attention to these moments this is your brain doing something remarkable something profoundly post modern something perhaps not altogether benign from the author's foreword Frank Nevis knows that there's more than one way to get famous in America when massive flooding strikes his town only Frank has the presence of mind to weave a fabricated story into the actual drama unfolding around him after all what better way to attract interest and funding for his now defunct reality show career fueled by the blogosphere Facebook Twitter and the echo chamber of the 24 hour news cycle Frank's fabrication is soon the biggest story breaking but how long can he maintain his hastily constructed lie and where is the line in the American audience's thirst for reality entertainment between the drama of Frank's unraveling plans and his and his family's fictional hardships written in a style intended to mimic the overwhelming cacophony that is news and culture in the 21st century the prank explores the question of reality in the digital age where viral falsehoods and reported lies are par for the course written by Adam Black cover design by Tom Maven
