mass incarceration is an overwhelming problem and reforms are often difficult leading to confusion about what to do and where to start ending overcriminalization and mass incarceration hope from civil society introduces the key issues that need immediate attention and provides concrete direction about effective solutions systemically and relationally in this work anthony b bradley recognizes that offenders are persons with inherent dignity mass incarceration results from the systemic breakdown of criminal law procedure and broken communities using the principle of personalism attention is drawn to those areas that directly contact the lives of offenders and determine their fate bradley explains how reform must be built from the person up and once these areas are reformed our law enforcement culture will change for the better taking an innovative approach anthony b bradley explores what civic institutions need to do to prevent people from falling into the criminal justice system and recidivism for those released from prison

a thought provoking look at one population s loss of voting rights in the united states

winner w e b dubois distinguished book award presented by the national conference of black political scientists examines the lifelong consequences of a felony conviction through the compelling words of former prisoners felony convictions restrict social interactions and hinder felons efforts to reintegrate into society the educational and vocational training offered in many prisons are typically not recognized by accredited educational institutions as acceptable course work or by employers as valid work experience making it difficult for recently released prisoners to find jobs families often will not or cannot allow their formerly incarcerated relatives to live with them in many states those with felony convictions cannot receive financial aid for further education vote in elections receive welfare benefits or live in public housing in short they are not treated as full citizens

and every year hundreds of thousands of people released from prison are forced to live on the margins of society convicted and condemned explores the issue of prisoner reentry from the felons perspective it features the voices of formerly incarcerated felons as they attempt to reconnect with family learn how to acclimate to society try to secure housing find a job and complete a host of other important goals by examining national housing education and employment policies implemented at the state and local levels keesha middlemass shows how the law challenges and undermines prisoner reentry and creates second class citizens even if the criminal justice system never convicted another person of a felony millions of women and men would still have to figure out how to reenter society essentially on their own a sobering account of the after effects of mass incarceration convicted and condemned is a powerful exploration of how individuals and society as a whole suffer when a felony conviction exacts a punishment that never ends

this book is a comparative quantitative analysis of the administration of justice across four english and three welsh counties between 1760 and 1830 drawing on a dataset of over 22 000 indictments the book explores the similarities and differences between how the so called bloody code was administered between on the one hand england and wales and on the other individual english and welsh counties the book is structured in two sections that trace the criminal justice process in england and wales respectively the first chapter in each section examines the pattern of indictments in the respective counties and explores the crimes for which men and women were indicted the verdicts handed down and the sentences passed the second chapter then explores patterns of sentences of death executions and pardons for those capitally convicted of serious crimes against the person and forms of property offences

the king s felons examines the subtle development of criminal confinement as an alternative to capital punishment in early tudor england providing the first detailed study of criminal justice in the early tudor period mcglynn highlights the church s role and reframes our understanding of significant acts of the reformation parliament
