for bryan bennett designing hostage negotiation programs is the perfect job as long as he doesn't deal directly with kidnappers or their victims intense nightmares of his own abduction and imprisonment as a small boy still plague him thirty some years later and claustrophobia prevents him from attempting to travel so when bryan's boss asks him to fly to reykjavik to teach his corporate level kidnapping and extortion seminar he initially refuses but a ceo has specifically requested bryan or no one else finally bryan relents for decades he's treaded gingerly around his deepest terrors now on this trip bryan's taken hostage again and must face his fears full on will he realize that in this battle of will and nerve he is his own greatest enemy or has this fight already been lost years ago

the book covers the subject of coaching in business but from the perspective of a sports coach using their guiding principles in the business world in business coaching tends to be done as a box ticking exercise and is task focused rather

than as part of a process of continual development in sport coaching is an ongoing process with measurable goals and objectives to keep the focus the main theme is about how to coach in business and the book guides the reader through a process from building a team to the finer elements of development and team dynamics there are many examples from different sports on approach or strategy which can be adapted into the business world the vision is to reshape thinking about business coaching and to do so in a way which can be easily assimilated sport is something that most of us will have had exposure to and taking the technical instructions given in sport and aligning that to business problems or personal development makes it easy to digest and memorable

in improvisation samuel wells defines improvisation in the theater as a practice through which actors seek to develop trust in themselves and one another in order that they may conduct unscripted dramas without fear sounds a lot like life doesn't it building trust overcoming fear conducting relationships and making choices all without a script wells establishes theatrical improvisation as a model for christian ethics a matter of faithfully improvising on the christian tradition he views the bible not as a script but as a training school that shapes the habits and practices of the christian community drawing on scriptural narratives and church history wells explains six practices that characterize both improvisation and christian ethics his model of improvisation reinforces the goal of christian ethics to teach christians to embody their faith in the practices of discipleship all the time
