in 2016 like many millions of americans i had voted for hillary clinton to become our 45th president and like many millions of americans i assumed that there was no way that donald trump could beat her in 2008 trump wrote i know hillary and i think she d make a great president during the 2016 presidential campaign he said she has to go to jail if it were not for our peculiar and archaic electoral college plus last minute interference from fbi director james comey just when clinton s favorable poll ratings

were moving up and sabotage by russia clinton would have become president trump frequently boasted about his landslide victory in truth his electoral win was no landslide at all in the popular vote clinton won by about 2 9 million votes a margin of 2 1 that s higher than the victories won by jfk george w bush nixon and other recent american presidents jerome kowalski an attorney who has known trump for more than 30 years said michael n marcus s powerful book is nothing short of a detailed bill of particulars of the evil trump presents and why his reign of terror must be stopped

crime and justice in the trump era documents the impact of trump administration policies on 1 violence against women 2 the treatment of persons of color 3 corporate and environmental crime both domestic and international and 4 federal crime control policy first the book examines how the policies of donald trump s administration have affected the rights and safety of female americans in particular violence against women including sexual assault the book then goes on to explore president trump s very public stances devaluing people of color whether they reside within the nation s borders or are seeking entry into the united states next the collection evaluates the collateral costs attached to the ongoing campaign to reduce regulations that protect consumers workers and the environment likewise the valuing america s narrow self interests may also have effects internationally where crime and violence may be tied to trump s promotion of white nationalism toleration of human rights violations and denial of climate change lastly criminal justice policies are examined both in the early stages of trump s presidency which were marked by his get tough rhetoric along with the more recent support for the first step act the authors represent different perspectives in the discipline critical feminist and mainstream criminologists quantitative and qualitative scholars and students of both street and white collar crime taken together this book reflects a variety of criminological voices and advances immeasurably our understanding of the trump administration s influence on crime and justice in america the chapters in this book were originally published as a special issue of victims offenders an international journal of evidence based research policy and practice

political humor has been a staple of late night television for decades the trump white house however has received significantly greater attention than that of past presidents such as barack obama george w bush and even bill clinton in response to trump s strident politics late night comics including stephen colbert jimmy kimmel

trevor noah and jimmy fallon have sounded key policy notes further blurring the boundary between news and satire weekly humorists including john oliver and samantha bee extend the critique with in depth probing of key issues while saturday night live continues to tap the progression from outrage to outrageousness using unique content analysis techniques and qualitative discussions of political humor farnsworth and lichter show how late night political humor and these seven programs in particular have responded to the trump presidency employing a dataset of more than 100 000 late night jokes going back decades these noted media scholars discuss how the treatment of trump differs from previous presidents and how the trump era is likely to shape the future of political humor the authors also employ public opinion survey data to consider the growing role these late night programs play in framing public opinion and priorities this book will interest scholars the curious public and students of politics communications and the media and contemporary american culture

why didn t evangelicals see him coming is a hard hitting clear eyed account of how american society the political establishment and the rule of law reacted to a sociopath president after donald trump left office americans didn t see him going either trump came and went yet millions of americans were clueless about what happened because of his gaslighting tornado an evangelical christian author explains why bible believing church going jesus talking america loving evangelicals along with other americans listened to were enamored by and elected an immoral sociopath an unlikely combination of viewpoints psychology law and biblical theology provide a surprising coherent picture of how donald trump deceived and inflicted devastation on democracy his uncanny influence is chronicled by media reporting during his four years in office and afterwards in a shadow presidency at mar a lago if trump succeeded in anything it was deceit psychologists rightly attribute this to his gaslighting biblical theology probes deeper to his corrupt human nature an fbi search warrant at mar a lago revealed the inevitable truth donald trump was a thief and traitor from the beginning the law finally caught up with a long overdue unaccountable serial criminal for crimes that america would not tolerate

a rosetta stone for understanding donald trump s style mindset and every action made up of over one hundred interviews with his closest associates and adversaries over the last 15 years to his critics donald trump is an impulsive undisciplined crackpot who accidentally lucked into the presidency but in the method to the madness

reporters Allen Salkin and Aaron Short reveal that nothing could be further from the truth. This objective, nonpartisan oral history shows that Trump had carefully planned his bid for the presidency since he launched what many considered to be a joke candidacy in 1999. Between 2000 and 2015, when he announced his candidacy in the lobby of Trump Tower, he was able to identify an underserved political constituency, hone a persuasive message that appealed to their needs, and deliver it effectively despite intense media opposition. Through candid conversations with more than 100 subjects close to the president, Salkin and Short make the case that Donald Trump's ostensibly erratic approach to politics is consistent with his carefully honed personal and professional style of information gathering, opinion seed planting, and conclusion sharing. His business, media, and political dealings from this era serve as a guide for understanding the man, his mindset, and his every action. *The Method to the Madness* is an accessible and unbiased oral history that brings readers into the private rooms where decisions are made, confidences are broken, strong words fly, and not all eyes witness the same scene in quite the same way. Full of scoops, both large and small, this is the first book to bring Trump the politician into focus.

From the explosion of fake news to the challenges of the 24-hour news cycle, legendary journalist Bob Schieffer examines political journalism today and those who practice it. Based on interviews with over 40 media leaders, Schieffer provides an inside look at the changing role of media and asks whether today's citizens are more informed or just overwhelmed.

Inside Campaigns through the eyes of political professionals is essential reading not only for students interested in running campaigns and for journalism students who want to cover politics, but for campaign operatives generally and journalists who want to raise the level of their game. In fact, it's good reading for everybody. Thomas B. Edsall, Columbia Graduate School of Journalism, notes that much of our useful knowledge sits at the intersection of disciplines. *Inside Campaigns* demonstrates that through a skillful combination of political science with management in a highly readable and practical format, a first for this field. Leonard A. Schlesinger, Baker Foundation Professor, Harvard Business School, President Emeritus, Babson College, notes that *Inside Campaigns*, second edition, takes readers on a journey into the world of campaign managers. Powered by scores of interviews and surveys of political professionals, the book considers the purpose, potency, and poetry of modern political campaigns in

the us the expert author team draw from years of scholarly research and professional campaign experience to guide readers on a behind the scenes tour of the ways campaigns are managed the strategies that are employed the roles played by both staff and the candidates and the affects election outcomes have on american democracy readers will develop an understanding of what campaigns do and why they matter as well as gain practical skills for working in a campaign or advocating for a cause new to the second edition a case study created from an in depth interview with bernie sanders top digital decision makers describes how the sanders campaign used digital media to harness the energy of their highly motivated base supporters this case shows students a real life campaign decision making situation and demonstrates how campaigns use new digital media to drive traditional news media coverage a unique joint interview with the top media buyers from the clinton and trump campaigns reveals how each campaign tracked the other s advertising and adjusted their own advertising based on competitive tracking information this interview illustrates to students how modern campaigns use media tracking technologies to monitor their opposition and spend tens of millions of dollars at the presidential level a top trump digital manager shares inside details of how the republican national committee moved quickly to help build out the trump digital operations after it was clear that trump would be the party s presidential nominee this insight helps students understand how the trump campaign answered what do we tell them by testing messages online including recycling trump s personal tweets in instant messages and emails the differences between how the clinton and trump campaigns managed the news media are highlighted in a case study of one journalist s experiences covering both campaigns this case study helps the student build skills for becoming a spinmeister who handles day to day relationships with the news media the authors research surprisingly reveals that behind the scenes trump was much more available to reporters than clinton despite trump s continuous public attacks on the fake news media

special features such as syndicate directories annual newspaper lineage tabulations etc appear as separately paged sections of regular issues

the hotly anticipated final book of bestselling author tim shipman s brexit quartet the johnson years to rishi sunak magnificent pacy and packed with delicious details shipman puts you in the room his analysis is sharp and full of insight for those seeking a moment by moment insider history it will not be topped ft
