an essential reference for the classical scholar pritchett has systematically canvassed ancient texts and secondary literature for references to specific topics each volume explores a unique aspect of

this book is a thorough study of all known guerrilla operations in civil war missouri between september 1864 and june 1865 it explores different tactics each side attempted to gain advantage over each other with regional differences as influenced by the personalities of local commanders the author utilizes both well known and obscure sources including military and government records private accounts county and other local histories period and later newspapers and secondary sources published after the war to identify which southern partisan leaders and groups operated in which areas of missouri and how their kinds of warfare evolved this work presents the actions of southern guerrilla forces and confederate behind union lines recruiters chronologically by region so that readers may see the relationship of seemingly isolated events to other events the book also studies the counteractions of an array of different types of union troops fighting guerrillas in missouri to show how differences in training leadership and experience affected actions in the field

this critical biography chronicles both the actual travels and the philosophical meanderings of talbot mundy one of the pioneers of the fantasy and adventure genre less celebrated than his contemporaries rudyard kipling and joseph conrad mundy was no less gifted when it came to the literary portrayal of faraway lands he was one of the first western writers to show an appreciation of eastern culture and his writing became an outlet for his radical ideas on religion and philosophy at the age of sixteen mundy left his native england to begin his life of adventure a journey that took him from india to the middle east to tibet and finally to america which became his adopted home the american spirit of adventure matched mundy s own and it was here that he found a true audience for his work this book explores mundy s oeuvre much of it set in exotic locales through which he himself had traveled and considers both his novels and his lesser known writing as well as his film and radio work books such as rung ho king of the khyber rifles caves of terror purple pirate and tros of samothrace are discussed and placed within the framework of mundy s life and philosophy the final chapter evaluates the enduring value of his writings appendices include a comprehensive list of mundy s works and a chronological listing by their original publication dates

volumes for 1898 1968 include a directory of publishers
