a pivotal moment in the history of the movement for working class democracy the memorial day massacre vividly captured the conflicting ideals of workers rights and the sanctity of private property on memorial day 1937 thousands of steelworkers middle class supporters and working class activists gathered at sam s place on the southeast side of chicago to protest republic steel s virulent opposition to union recognition and collective bargaining by the end of the day ten marchers had been mortally wounded and more than one hundred badly injured victims of a terrifying police riot sam s place the headquarters for the steelworkers was transformed into a bloody and frantic triage unit for treating heads split open by police batons flesh torn by bullets and limbs mangled badly enough to require amputation while no one doubts the importance of the memorial day massacre michael dennis identifies it as a focal point in the larger effort to revitalize american equality during the new deal in blood on steel dennis shows how the incident captured on film by paramount newsreels validated the claims of labor activists and catalyzed public opinion in their favor in the aftermath of the massacre senate hearings laid bare patterns

of anti union aggression among management ranging from blacklists to harassment and vigilante violence companies were determined to subvert the right to form a union which congress had finally recognized in 1935 only in the following year would congress pass the fair labor standards act which established a minimum wage and a maximum work week outlawed child labor and regulated hazardous work like the wagner act that protected collective bargaining this law aimed to protect workers who had suffered the worst of what the great depression had inflicted dennis s wide angle perspective reveals the memorial day massacre as not simply another bloody incident in the long story of labor management tension in american history but as an illustration of the broad based movement for social democracy which developed in the new deal era

this book has been written in my words unedited and straight from the heart you can overcome most of the crap life throws at you from a unhappy childhood to unhappy adult drink drugs abused beaten and broken by someone you should be able to trust needing guidance from people who could guide you instead your told you made your bed now lie on it coping with your darling son who has aspergers after being told it was my bad parenting skills then after years of being told all my physical pain was in my head it turns out to be a debilitating illness called fibromyalgia

a priced and annotated annual record of international book auctions

this study of the pearl harbor attack clarifies the debate in two important ways first it definitively exposes who delayed japan s notice of war to the united states a serious blunder which stigmatized japan for launching a premeditated sneak attack and second it examines how the foreign ministry has dealt with this blunder from the immediate postwar period to the present sugihara s aim in both instances is to reevaluate just how costly this

error by the foreign ministry has been for japan and to show how its cover up and mishandling have distorted postwar japanese diplomacy sugihara demonstrates how the protracted cover up of the bungled war notice to the united states has severely distorted the way japan understands its recent past deeply concerned with the ministry s continuing lack of apology to the united states and the japanese public for causing the sneak attack he presents its misguided handling of several war related issues such as its role in the portrayal of the nanking incident in high school textbooks and its treatment of ministerial visits to yasukuni shrine while due credit is given for the ministry s overdue attempt in november 1994 to address this shameful episode the author suggests future directions for japanese diplomacy and delivers a strong moral message about diplomacy and justice significantly sugihara s is the only extensive analysis in english that exploits newly declassified documents concerning the suppressed 1946 internal foreign ministry investigation of the blunder under mounting public pressure the ministry in november 1994 made these materials public and they reveal for the first time precisely when ministry officials determined whose negligence had caused the delay at japan s washington embassy critically the author shows that the ultimate blame for the drawn out concealment of these documents lies with former prime minister shigeru yoshida whose shameless protection of katsuzo okumura and sadao iguchi the embassy officials responsible for
