in this stranger than fiction story of the massive crime network that rigged the mcdonald s monopoly game for decades unlock new exclusive interviews and stories that couldn t make it into the hbo docuseries mcmillion perfect for readers of argo the wizard of lies and enron the smartest guys in the room in march of 2001 federal prosecutor mark devereaux cold called rob holm the head of security for mcdonald s corporation without explanation devereaux asked that holm and several other mcdonald s senior executives plan a visit to the jacksonville florida fbi and tell no one about their intended destination it wasn t up for discussion upon their arrival devereaux watched them closely looking at body language checking for tells to him they were all potential suspects once they were seated in an unremarkable conference room sealed away in the hyper secure fbi building devereaux began to lay out a shocking conspiracy one that ran deep into mcdonald s most beloved promotions the monopoly game this is where they began to discover from 1989 to 2001 almost every high value prize winner was actually

illegitimate but how could this happen and who all was behind it a rookie fbi agent and a brilliant undercover operation led them to one man who brilliantly crafted a near infallible nationwide conspiracy for fraud expanded from the wildly popular hbo docuseries with major new interviews mcmillion traces this massive crime the intricate web of lies that bolstered it and the tireless work of the fbi agents that unraveled it all it is a story littered with tragedy families torn apart betrayals financial ruin and one suspicious car crash yet there are bright spots in the hijinks of the fbi agents and their co conspirators ultimately it is a story of what happens when the american dream goes very wrong

lottery corruption u s a is very unique as compared to any other book written about the lotteries there s more than enough significant data and information to convince the reader that our state lotteries are definitely being manipulated and controlled illegally this book is informative enlightening educational and entertaining so enjoy reading it

you ve heard the tales on the news hbo has done a documentary of the mcdonalds monopoly scandal called mcmillion and they plan on making a major motion picture about it now you can read robin colombo s firsthand account of the whole monopoly scam that her husband gennaro colombo along with herself were the 2 main recruiters in as well as her life being married to the mafia robin has also struggles with bipolar disorder survived widowhood been to prison multiple times and attempted suicide on more than one occasion she puts everything out there not holding anything back when you finish reading you will realize that only god could have brought her through all of these heart wrenching tales intact to who she is today

for over a decade mcdonald s monopoly game captivated millions transforming a fast food giant s marketing gimmick into a cultural phenomenon customers across the united states eagerly peeled stickers from their fries and sodas dreaming of winning prizes ranging from free burgers to million dollar jackpots but behind the scenes of this beloved promotion a meticulously orchestrated fraud was siphoning millions of dollars from unsuspecting participants and the company itself at the center of this web of deception was jerome jacobson a trusted security professional turned criminal mastermind whose audacious scheme would expose vulnerabilities in one of the world s most iconic brands this gripping narrative delves deep into the rise and fall of the monopoly scam revealing the intricate details of how jacobson exploited his position to manipulate the promotion from his recruitment of a diverse network of accomplices including friends family and even strangers to the fbi s groundbreaking sting operation the story unravels with the tension and intrigue of a crime thriller along the way readers are introduced to the cultural impact of the monopoly game the obliviousness of mcdonald s and simon marketing and the extraordinary effort it took to dismantle the fraud the mcdonald s monopoly scam is not just an exploration of a single scandal but a reflection on the vulnerabilities of trust the ethics of corporate responsibility and the broader lessons for an industry that thrives on consumer loyalty through interviews with

key figures including conspirators and investigators and a detailed analysis of the cultural and economic fallout the book offers a comprehensive account of how this fraud reshaped public perceptions of corporate promotions this is a story of greed and ingenuity of systemic failures and human ambition it s a cautionary tale for businesses and consumers alike underscoring the importance of vigilance transparency and accountability in an era where trust is both indispensable and fragile perfect for readers of true crime business ethics and corporate history the mcdonald s monopoly scam unveils the shocking truth behind one of the most audacious frauds in modern history

fortunately more than ever before con artists are being apprehended and prosecuted federal state and local law enforcement officials have reported enormous increases in tips and criminal activity since the economic calamity began in 2008 cash redemptions are dangerous for ponzi schemes because when the money runs out folks start talking for example at any one time enforcement staff at the u s commodity futures trading commission cftc are investigating anywhere between 750 and 1 000 individuals or entities for various violations of the law increases in tips and fraud cases have also occurred at the u s securities and exchange commission sec at the federal bureau of investigation fbi in the states and various localities around the world the stories in this book are actual cftc cases stemming from investigations that began with the economic downturn these are real cases real fraudsters with unfortunately very real victims while the fundamental nature of the writing in such files is as you would imagine very bureaucratic this script is anything but bureaucratic commissioner chilton has worked in public service for over a quarter of a century and has found that one of the most important things that can be done is to make government less puzzling and perplexing less mysterious and yes less bureaucratic while commissioner chilton can t say there has been any monumental change in how folks see their government over the years commissioner chilton continues to try and do his part by communicating in a way that lets folks in on what is going on this writing is an effort to continue that work commissioner chilton hopes it will be a satisfying read but more importantly maybe some folks will avoid the tremendous tragedy that so many of our fellow citizens have endured

have you wondered why you keep getting scammed would you like to avoid scams by discovering the part you play in helping cons if you answered yes to these questions or want to learn how to stop getting scammed losing money and feeling the pain and shame of betrayal discover that until you learn your role in helping a con you ll get taken again how you help scammers lead you down the scammer s path how certain levels of thinking helps cons cast believability spells how certain beliefs and conditioning cause you to trust without question what the main traits of a scammer are so you can avoid getting snared what to do to break a scammer s spell before it is too late and much more how this advice helps unlike books that focus on how scams work this book gives awareness of what you re doing to help scammers this makes spotting snakes in suits or a wolf wearing sheep s clothing easier their beady black eye holes and flaky skin on the snake s suit come into clearer vision once you spot scammers you re discarded or the scammer increases pressure to gain unquestioned trust you re discarded

because scammers are predators who quickly sense vulnerabilities they use to draw you in for the kill this book not only helps you avoid becoming dinner it saves you stress anger aggravation money and humiliation following this book s advice is a small and wise investment to sense how wise ask how you ll feel if a scammer cheats you again why i wrote this book to create awareness about the part we play in helping the con artist cast his spell to take our money trust and self worth without awareness you keep falling into a trust coma making scams almost automatic plus you ignore or minimize scam avoidance advice for example a common consumer protection tip is to beware of high rate return investments good advice but advice that doesn t register if your primary thinking state is desire not only will you ignore this advice but high return warnings will be the turning point that hypnotically convinces you to take unquestioned action why because greed is the main ingredient of a want thinking state that makes high returns look more compelling and irresistible is this information available elsewhere yes and no yes if you take lots of time you can find pieces on internet blogs websites videos and books the no part my thirty five years of investor and sales experience plus my scam experiences on business opportunities commodities real estate stocks and tax shelters you name it and i have likely witnessed or experienced the investment scam add countless hours of research into scammers tactics schemes and what makes them tick the result is a clear understanding of how scammers act their personal characteristics and most important how we aid scammers in hiding the truth from the author i hope like many people you won t think that a scammer won t fool you again because of a previous scam this is because according to current estimates over 30 million people in the united states fall victim to financial fraud loss estimates are a staggering 50 billion yearly and rising authorities think this estimate is much higher because most victims don t report losses because of embarrassment shame and blame whatever you do don t just read this book once reread it again and again to internalize your scam role once internalized share the advice and above all use this awareness to prevent snakes in suits or wolves in sheep s clothing from biting you again are you ready to learn how to avoid scams and understand the role you play in helping scammers fool you again if you are scroll up and grab your copy today of al craig s book pulling the wool over your eyes understanding why we keep getting scammed and the role you play
