a chronological collection of brief biographies on important figures for social justice in american history including franklin d roosevelt fannie lou hamer and bob dylan

the hall of fame for great americans provides a window into the cultural changes taking place in the united states from the turn of the twentieth century into the twenty first this book is the first examination of the institutional and social history of america s first hall of fame from its dynamic opening in 1901 through its protracted decline in the late twentieth century and its brief return to relevancy in the early twenty first century it also examines in depth what is arguably the least studied project of stanford white one of the most distinguished architects of the gilded age originally designed for new york university s new campus in the bronx the hall of fame once housed ninety eight bronze busts of men and women deemed great americans within its elegant colonnade including the likes of george washington nathaniel hawthorne booker t washington susan b anthony and robert e lee the hall was conceived when the great man theory dominated american thought however as times changed challenges to ideas concerning greatness and heroism grew and heroes once celebrated were scrutinized for their flaws the monument is now a shell of its former glory and largely forgotten and the nyu campus that once housed the colonnade was eventually sold to bronx community college in 2017 following the violent demonstrations in charlottesville virginia by white supremacists attempting to prevent the removal of a monument to general lee andrew cuomo then governor of new york thrust the hall of fame back into the limelight by ordering the busts of lee and stonewall jackson to be removed this action joined a national trend to remove monuments deemed offensive gerami argues that the rise and fall of this institution mirrors the nation s changing conception of what comprises a hero this biography of a public art memorial answers questions about the importance of art history and the cultural evolution of what it means to be great in america

here are some of the greatest americans who ever lived

a study of the confluences between liberal white americans trauma their reverting to hyper conservative islamophobia and don delillo s call to american authors that they compose a new so called great american novel pluriverse in the wake of 9 11 in december 2001 don delillo urged

american writers to create the counternarrative that would reclaim control of culture in a call for nation rebuilding fiction that mirrors john william de forest s original post civil war coinage of the term and concept of the great american novel through this conceptual framework sheheryar sheikh examines four major post 9 11 works to demonstrate a concerted effort by these authors to address the muslim question in novels that feature and critique traumatized white americans creating mechanisms with which to mitigate the trauma of 9 11 as it resurges at even the thought of muslims existing in america after 9 11 by looking at repression appropriation adversarial othering and enforced secularization as they appear in jonathan safran foer s extremely loud incredibly close john updike s terrorist delillo s falling man and amy waldman s the submission this study shows the iterations of solutions and the abandonment of these ideals by traumatized white liberals while the original concept of the great american novel featured fluid and multifaceted explorations of the american dream the post 9 11 great american novel shows how this renewed interest in creating nation rebuilding texts threatened to stagnate and calcify this literary form specifically because these texts primarily congeal around the occlusion of muslims and islam within and from the united states

includes pictures every american can easily recite the highlights of the father of our country the remarkable virginian led an under resourced rag tag army to ultimate victory in the american revolution before becoming the nation s first president setting every precedent for the executive branch of the new government from forming a cabinet to limiting himself to two terms nobody spent more time in the thick of america s political debates than thomas jefferson one of the most famous and revered americans jefferson was instrumental in all of the aforementioned debates authoring the declaration of independence laying out the ideological groundwork of the notion of states rights leading one of the first political parties and overseeing the expansion of the united states during his presidency before the united states of america even existed the first american celebrity was benjamin franklin 1706 1790 franklin was an author printer political theorist politician

postmaster scientist musician inventor satirist civic activist statesman and diplomat and he used his unique status as an international celebrity to become the colonies best diplomat unfortunately one of the best known aspects of hamilton s 1755 1804 life is the manner in which he died shot and killed in a famous duel with aaron burr in 1804 but hamilton started as an orphaned child in the west indies before becoming one of the most instrumental founding fathers of the united states in that time not only in helping draft and gain support for the u s constitution but in also leading the federalist party and building the institutions of the young federal government as washington s secretary of treasury today james madison s legacy mostly pales in comparison to the likes of george washington ben franklin and his closest colleague thomas jefferson but madison s list of important accomplishments is monumental a lifelong statesman madison was the youngest delegate at the continental congress from 1780 83 and at 36 he was one of the youngest men who headed to philadelphia for the constitutional convention in 1787 despite his age he was the convention s most influential thinker and the man most responsible for the final draft of the u s constitution schoolchildren can recite the life story of lincoln the westerner who educated himself and became a self made man rising from lawyer to leader of the new republican party before becoming the 16th president of the united states lincoln successfully navigated the union through the civil war but didn t live to witness his crowning achievement becoming the first president assassinated teddy is on mount rushmore and might be america s greatest 20th century president but if he s not it might be because of his own relative whether franklin delano roosevelt was america s greatest 20th century president or not there s no question that he was the most unique a well connected relative of theodore roosevelt fdr was groomed for greatness until he was struck down by what was widely believed to be polio at the time nevertheless he persevered rising through new york politics to reach the white house just as the country faced its greatest challenge since the civil war beginning his presidency with one of the most iconic lines ever spoken during an inaugural address the life and legend of dr king have been told to every american many of whom come away equating king with the civil rights movement as a whole but

king's life was about far more than leading movements and having dreams
