while its workforce has quintupled in size and its valuation has soared to nearly two trillion dollars it's almost impossible to go a day without encountering the impact of Jeff Bezos's Amazon. Between services like Whole Foods, Prime Video, and Amazon's cloud computing unit AWS, plus Bezos's ownership of the Washington Post, we live in a world run, supplied, and controlled by Amazon and its iconoclast founder. In *Amazon Unbound*, Brad Stone presents an excellent, *The New York Times* deeply reported, vividly drawn portrait of how a retail upstart became one of the most powerful and feared entities in the global economy. Stone also probes the evolution of Bezos himself, who started as a geeky technologist totally devoted to building Amazon but who transformed to become a fit, disciplined billionaire with global ambitions who ruled Amazon with an iron fist. Even as he found his personal life splashed over the tabloids, definitive, timely, and engaging. Jon Meacham, author of *The Soul of America*, Stone has provided an unvarnished portrait of a man and company that we couldn't imagine modern life without.

The Face of Leadership is an eight-part framework developed to help leaders achieve a high standard of leadership excellence. Whether you are leading up, down, across, or leading yourself, there are some key success factors that you need to effect positive change within your organization, team, and personal life. As we emerge from a worldwide crisis, much is demanded of today's leaders. The Face of Leadership takes a deep dive into the actions and behaviors that will help leaders resiliently bounce back from failure, become a leader of foresight, unlock the power of awareness, drive meaningful change with innovation and agility, lead with clarity, show up confidently, learn to inspire with energy, execute on business results decisively.
