media critic douglas deconstructs the ambiguous messages sent to american women via tv programs popular music advertising and nightly news reporting over the last 40 years and fathoms their influence on her own life and the lives of her contemporaries photos

a study of how rhetoric has shaped the life stories of african american role models in children s literature in children s biographies of african american women rhetoric public memory and agency sara c vanderhaagen examines how these biographies encourage young readers to think about themselves as agents in a public world specifically vanderhaagen illustrates how these works use traditional means to serve progressive ends and thereby examines the rhetorical power of biography in shaping identity and promoting public action drawing on scholarship in rhetoric memory studies and children s literature vanderhaagen presents rhetorical analyses of biographies of three african american women poet phillis wheatley activist sojourner truth and educator turned politician shirley chisholm published in the united states during the twentieth and twenty first centuries vanderhaagen begins by analyzing how biographical sketches in books for black children published during the 1920s represent wheatley and truth the study then shifts to books published between 1949 and 2015 vanderhaagen uses a concept adapted from philosopher paul ricoeur the idea of the agential spiral to chart the ways that biographies have used rhetoric to shape the life stories of wheatley truth and chisholm by bringing a critical rhetorical perspective to the study of biographies for children this book advances the understanding of how lives of the past are used persuasively to shape identity and encourage action in the contemporary public world vanderhaagen contributes to the study of rhetoric and african american children s literature and refocuses the field of memory studies on children s biographies a significant but often overlooked genre through which public memories first take shape

unique in its intergenerational approach to understanding motherhood in china this book sets out to study chinese mothers experiences of childrearing emphasising that gender is not immutable and that motherhood is not isolated from other social domains the author adopts an historical and sociological design with a case study approach to investigate three living generations of women from 12 families of varied social economic backgrounds in china by comparing three aspects of these mothers lives namely the growing up experiences mothering experiences and intergenerational transmission between mothers and daughters this research provides an invaluable opportunity to observe how changing structural elements shaped mothers varied subjectivities similarly or differently it also addresses the continuities of the women s experiences highlighting the gendered and devalued roles in childcare that existed across three generations reflecting the complex dynamic relationship between women s agency and china s social structures this is an essential read for researchers students professionals and practitioners in the fields of sociology of families childhood and education gender studies motherhood parenthood studies narrative studies social policy and development studies

throughout the western world our social fabric is being transformed leaving few lives untouched girls growing up today face huge changes in the organization of family education and work growing up girl explores the lives of girls who have grown up in the last decades of the twentieth century and into the twenty first it explores the complexities of class transformation as young women approach a radically altered labor market and examines the profound but different regulation to which young women of all social positions are subjected tracing three groups of girls from their early childhood to young adulthood the volume sheds light on the social cultural and psychological dynamics confronting young women today it highlights the fragility and the fiction of the i can have everything girls providing a ground breaking and sobering antidote to platitudes about a feminine future growing up girl is essential reading for all those concerned with the lives of girls and women today

wise and kind sali hughes every young teen needs this book nadia sawalha brilliant accessible sensitive and funny emily maitlis funny kind and wise daisy buchanan going through puberty thinking about puberty worried about growing up this book is for you knowledge is power all the information you need is here plus advice wisdom and lots of questions from girls like you body basics like breasts spots and periods life s big mysteries is how you look important is a crush ever wrong is it bad to be jealous of your friends clear empowering info on emotions sex sexuality and gender staying safe and having fun online plenty of space for your own notes and doodles puberty isn t just about what s going on in your body but also your brain your emotions and the world around you

in this two volume set a series of expert contributors look at what it means to be a boy growing up in north america with entries covering everything from toys and games friends and family and psychological and social development boy culture an encyclopedia spans the breadth of the country and the full scope of a pivotal growing up time to show what a boy s life is really like today with hundreds of entries across two volumes it offers a series of vivid snapshots of boys of all kinds and ages at home school and at play interacting with family or knocking around with friends or pursuing interests alone as they begin their journey to adulthood boy culture shows an uncanny understanding of just how exciting confusing and difficult the years between childhood and young adulthood can be the toys games clothes music sports and feelings they are all a part of this remarkable resource but most important is the book s focus on the things that shape boyhood identities the rituals of masculinity among friends the enduring conflict between fitting in and standing out the effects of pop culture images and the influence of role models from parents and teachers to athletes and entertainers to fictional characters

some of us is a collection of memoirs by nine chinese women who grew up during the mao era all hail from urban backgrounds and all have obtained their ph d s in

the united states thus their memories are informed by intellectual training and insights that only distance can allow each of the chapters arranged by the age of the author is crafted by a writer who reflects back to that time in a more nuanced manner than has been possible for western observers the authors attend to gender in a way that male writers have barely noticed and reflect on their lives in the united states

a guide for pre adolescent girls to the changes that puberty brings to their bodies including information about menstruation

growing up with girl power considers how real girls who grew up with girl power interpreted its messages about empowerment girlhood strength femininity race and more and suggests that for young girls commercialized girl power had real strengths and limitations sometimes in fascinating unexpected ways

dhruvarajan and vickers call into question feminism s presumed universality of gender analysis and bring to the foreground the voices of marginalized women in western society and of women outside of the western world

the cold war stayed cold in europe but it was hot in asia its legacy lives on in the region in none of the three dominant historiographical paradigms orthodox revisionist and post revisionist does asia or the rest of the third world figure with much significance what happens to these narratives if we put them to the test in asia this volume argues that attention to what has been conventionally considered the periphery is essential to a full understanding of the global cold war foregrounding asia necessarily leads to a re assessment of the dominant narratives this volume also argues for a shift in focus from diplomacy and high politics alone towards research into the culture of the cold war era and its public diplomacy as a whole the essays contribute to enriching our understanding of what was really happening in an era that is too often understood in the catch all framework of the cold war akira iriye harvard university

hugel marshall is the daughter of a bavarian woman and an african american soldier she didn t meet until many years later left at age 7 in an orphanage where she was taken to have the black demon exorcised from her hugel marshall tells of her long struggle to come to terms with life as a german among people who seemed determined to disavow her existence in her late 30s she began to meet other afro germans and explore her identity a friend of the writer audre lord she eventually published a number of works on anti racist education her memoir is punctuated with snippets of poetry and illustrated with family snapshots the work has no index annotation copyrighted by book news inc portland or

includes firsthand accounts from women ages fourteen through sixty six about how being labeled a slut can affect every aspect of one s personality and how growing up with a bad reputation not only hampered but also freed them tour
