acting together volume II continues from where the first volume ends documenting  
exemplary peacebuilding performances in regions marked by social exclusion structural  
violence and dislocation acting together performance and the creative transformation  
of conflict is a two volume work describing peacebuilding performances in regions  
beset by violence and internal conflicts volume I resistance and reconciliation in regions  
of violence emphasizes the role theatre and ritual play both in the midst and in the  
aftermath of direct violence while volume II building just and inclusive communities  
focuses on the transformative power of performance in regions fractured by subtler  
forms of structural violence and social exclusion volume I resistance and reconciliation  
in regions of violence focuses on the role theatre and ritual play both in the midst and in  
the aftermath of violence the performances highlighted in this volume nourish and  
restore capacities for expression communication and transformative action and  
creatively support communities in grappling with conflicting moral imperatives  
surrounding questions of justice memory resistance and identity the individual chapters  
written by scholars conflict resolution practitioners and artists who work directly with  
the communities involved offer vivid firsthand accounts and analyses of traditional and  
nontraditional performances in serbia uganda sri lanka palestine israel argentina peru  
india cambodia australia and the united states complemented by a website of related  
materials a documentary film acting together on the world stage that features clips and  
interviews with the curators and artists and a toolkit or tools for continuing the  
conversation that is included with the documentary as a second disc this book will  
inform and inspire socially engaged artists cultural workers peacebuilding scholars and  
practitioners human rights activists students of peace and justice studies and whoever  
wishes to better understand conflict and the power of art to bring about social change  
the acting together project is born of a collaboration between theatre without borders  
and the program in peacebuilding and the arts at the international center for ethics

justice and public life at brandeis university the two volumes are edited by cynthia e cohen director of the aforementioned program and a leading figure in creative approaches to coexistence and reconciliation roberto gutierrez varea an award winning director and associate professor at the university of san francisco and polly o walker director of partners in peace an ngo based in brisbane australia

geechi suede and sonny cheeba are camp lo these two emcees from the bronx ny entered the american hip hop scene with an insider slang that bewildered listeners as they radiated the look of a bygone era of black culture in 1996 they collaborated with producer ski and a host of other contributors to create uptown saturday night featuring the seminal single luchini a k a this is it while other 1990s rappers referred to 1970s blaxploitation culture camp lo were self described time travelers who weaved the slang and style of a soulful past into state of the art lyrical flows uptown saturday night is a tapestry of 1970s black popular culture and 1990s new york city hip hop this volume will detail how the album s fantastic world of coolie high reflected classic films like cooley high and the sidney poitier film from which the album s title is derived and promoted vintage slang and fashion the book features new interviews with camp lo producer ski trugoy the dove from de la soul ish from digable planets and others and offers musical and cultural analyses that detail the development of the album and its essential contributions to a post soul aesthetic

writing about traumatic or stressful experiences has been shown to have physical and mental health benefits this book describes two studies that were designed to test the hypothesis that programmed writing would enhance the mood health and dance skill of students enrolled in dance education classes study 1 included 40 participants with a mean age of 17 1 years who were enrolled in a community based summer dance camp study 2 included 100 participants with a mean age of 20 5 years who were enrolled in university based dance education classes both studies utilized a pre post design and participants were randomly assigned to a programmed writing group or a control writing group the programmed writing group was instructed to write about their thoughts and feelings about dance and the control writing group was instructed to write about what they learned in class that day participants also completed questionnaires about their mood health and perceived dance skill and were rated by independent observers on dance skill and attitude a series of multivariate analyses of variance manova examined the effects of programmed writing on mood health and dance skill the results of study 1 suggested that programmed writing had a positive effect on mood but failed to have a significant effect on health or dance skill the results for study 2 suggested that programmed writing did not have a significant effect on health mood or dance skill these studies appear to be an appropriate application of programmed writing in an applied setting and call into question the ability of programmed writing to effectively cause positive changes in health mood and goal attainment as is typically reported in the literature ideas for future research such as linguistic analysis of participants journals and further clarification of the role of stress and emotionality in dance are discussed
